

## ART DEPARTMENT

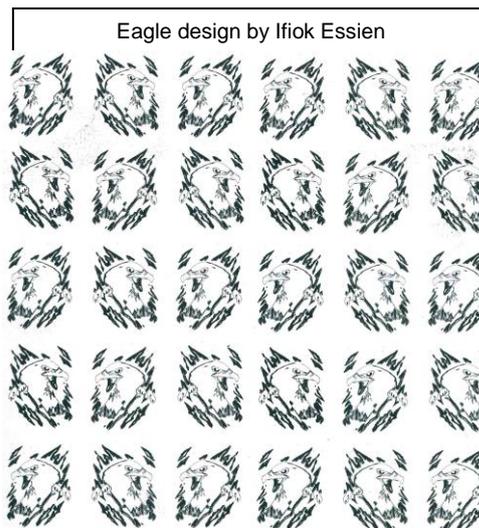

### VISITING TEXTILE DESIGNER

Just before the end of term, I was very fortunate to be able to invite a Textile Designer to visit our Year 10 art pupils. Petra Hall came into the Art Department to talk to the Year 10 pupils about her work and the creative process of a Textile designer. Petra brought in her sketch book, portfolio and some printed textile samples to inspire the pupils who have been creating and printing their own designs. A small group of talented Year 8 pupils were also selected. Their scheme of work was on repeated patterns. The day went so well I decided to share some of their wonderful work, following the visit. The designs below were created by Year 10 pupils.
