

Year 7 Careers Programme 2015 – 2016

Year 7 learning outcomes¹

1. Describe yourself, your strengths and preferences
2. Explain how you have benefited as a learner from career and work related learning activities and experiences
3. Identify and make the most of your personal network of support including how to access the impartial careers information, advice and guidance that you need
4. Know how to negotiate and make plans and decisions carefully to help you get the qualifications, skills and experience you need
5. Recognise the qualities and skills needed for employability and provide evidence for those you have demonstrated both in and out of school

PSHE lessons

Autumn and spring terms

- 1 lesson in autumn term linking “Character” with employability and careers
- Spring term:
 - Exploring careers
 - How will careers change in the future?
 - Writing personal statements
 - Meeting the school Careers Advisor

Events

- Careers industry talks (every 2 weeks – see website for details of speakers)

Resources

- Termly careers newsletter
- Year group specific information on Gordon’s website

¹ These careers learning outcomes are taken from the ACEG Framework 2012 (Association for Careers Education and Guidance) and are regarded as best practice for schools to achieve

Year 8 Careers Programme 2015 – 2016

Year 8 learning outcomes²

1. Explain how you have benefited as a learner from career and work related learning activities and experiences
2. Describe different ways of looking at people's careers and how they develop
3. Identify different kinds of work and why people's satisfaction with their working lives varies
4. Describe the organisation and structure of different types of business
5. Be aware of what job and labour market information (LMI) is and what it can do for you
6. Identify how to stand up to stereotyping and discrimination that is damaging to you and those around you
7. Be aware of the laws and by-laws relating to young people's permitted hours and types of employment; and know how to minimise health and safety risks to you and those around you
8. Recognise when you are using the qualities and skills you need to be enterprising

PSHE lessons

Spring term (including one lesson delivered by the independent careers advisor)

- Explore careers
- Research labour market information
- Stereotyping
- Employment laws

Independent careers guidance

- In half term 4, (2nd half of spring term) pupils in year 8 will be able to sign up for a 1:1 careers session with the independent careers advisor (optional)

Events

- Careers industry talks (every 2 weeks – see website for details of speakers)

Resources

- Termly careers newsletter
- Year group specific information on Gordon's website

² These careers learning outcomes are taken from the ACEG Framework 2012 (Association for Careers Education and Guidance) and are regarded as best practice for schools to achieve

1. Recognise how you are changing, what you have to offer and what's important to you
2. Be positive about your own story and the responsibility you are taking for your own progress, achievements and wellbeing
3. Review and reflect upon how you have benefited as a learner from careers and work-related learning activities and experiences
4. Explain how work is changing and how this impacts on people's satisfaction with their working lives
5. Be aware of your responsibilities and rights as a student, trainee or employee for following safe working practices
6. Show that you can manage your own money, understand personal financial documents and know how to access financial support for further study and training
7. Research your education, training, apprenticeship, employment and volunteering options including information about the best progression pathways through to specific goals
8. Know how to make important plans and decisions carefully including how to solve problems and deal appropriately with influences on you

PSHE lessons

1 lesson in autumn term, 3 lessons on a rotation basis

- Preparing a CV
- Interview skills
- Life after GCSEs – what's next?

Independent careers guidance

- Students will have been seen in the summer term of Y10, and any student requiring further guidance will receive 1:1 support in the autumn term while post-16 choices are made

Events

- Careers industry talks (every 2 weeks – see website for details of speakers)
- Surrey Opportunities Fair (by invitation only, see website calendar for date)

Resources

- Termly careers newsletter
- Year group specific information on Gordon's website
- www.barclayslifefskills.com

⁵ These careers learning outcomes are taken from the ACEG Framework 2012 (Association for Careers Education and Guidance) and are regarded as best practice for schools to achieve

Year 12 Careers Programme 2014 – 2015

Year 12 learning outcomes⁶

1. Be proactive in taking part in career and work-related learning activities and assessing the benefits to you as a learner
2. Explain the impact of changing career processes and structures on people's experience and management of their own career development
3. Recognise the personal, social and economic value of different kinds of work and be critically aware of key debates about the future of work
4. Explain how what businesses do, the way they operate and the way they measure success is changing
5. Draw conclusions from researching and evaluating relevant job and labour market information (LMI) to support your future plans
6. Reflect critically on the ethical, legal and business case for equality, diversity and inclusion in the workplace and the implications for your behaviour and others
7. Recognise different levels of risk and understand your responsibilities and rights as a student, trainee or employee for observing safe working practices
8. Develop and make the most of your personal network of support and show that you are a proactive and discerning user of impartial careers information, advice and guidance
9. Develop and apply enterprising qualities and skills in your approach to learning, work and career planning
10. Research and evaluate progression pathways and return on investment for the higher and further education, training, apprenticeship, employment and volunteering options that are open to you
11. Know how to make career enhancing plans and decisions

Events

- Careers industry talks (every 2 weeks – see website for details of speakers)
- Morrisby psychometric and aptitude tests (see website for dates)
- Work Experience (see website for dates)

Resources

- Termly careers newsletter
- Year group specific information on Gordon's website

⁶ These careers learning outcomes are taken from the ACEG Framework 2012 (Association for Careers Education and Guidance) and are regarded as best practice for schools to achieve

Year 13 Careers Programme 2014 – 2015

Year 13 learning outcomes⁷

1. Assess how you are changing and be able to match your skills, interests and values to requirements and opportunities in learning and work
2. Create positive accounts of your own story emphasising the responsibility you are taking for managing your own progress, achievement and wellbeing
3. Explain what you are doing to improve your employability and to meet the expectations of employers and co-workers
4. Develop your personal financial capability to improve the decisions you make that affect your everyday living, further study, training and work
5. Know how to prepare for, perform well and learn from your participation in selection processes
6. Know how to develop and use the strategies you will need to cope with the challenge of managing your career transitions

Events

- Careers industry talks (every 2 weeks – see website for details of speakers)
- CV checking service

Independent careers guidance

Autumn term

- All students have a 1:1 careers guidance interview to go through their personal psychometric and aptitude profile
- Students who need more support will have monthly 1:1 meetings with the careers councillor

Resources

- Termly careers newsletter
- Year group specific information on Gordon's website

⁷ These careers learning outcomes are taken from the ACEG Framework 2012 (Association for Careers Education and Guidance) and are regarded as best practice for schools to achieve
