This is an exciting opportunity to join one of the most successful schools in England.

The successful candidates will have experience of coaching and playing their sport to a high level. They will have excellent communication skills with the ability to motivate others.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 840 students including 240 residential boarders and a thriving sixth form. In 2018, the percentage of students achieving five or more GCSE grades A* to C, including English and mathematics, was over 90%. The A*-C pass rate at A-Level was 95%, with 76% of the grades A* to B. These results rank Gordon's amongst the top non-selective schools in England for progress and attainment.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
