

NATIONAL APPRENTICESHIP WEEK

8th to 14th February 2021

Careers News and Events

Please click on the images below for more information

Join BDO for an informative session which will delve into the many different avenues a career in accounting can offer, why the school leaver apprenticeship pathway offers an unparalleled career kick start and discussing the myths surrounding a career in this field (it's not just about number crunching and it's not boring!)

We will also provide an overview of BDO and the apprenticeship opportunities available across the UK.

This session is open to both students and teachers/career leaders.

Investing in Futures:

Apprenticeships play an important role in our business, and provide people an alternative route into a challenging and rewarding career with HSBC. We believe apprenticeships opportunities are one of the very best ways to equip people with the skills they need to succeed.

HSBC Foundation and Degree Apprenticeships will be going live within the upcoming National Apprenticeship Week (8th February 2021). These opportunities will be available on our [UK Apprenticeships](#) page.

HSBC 2021 Work Experience opportunities are live now and students can apply via our [Work Experience](#) page.

- Thinking about gaining some work experience for your CV but can't find opportunities? Check out the Virtual Work Experience options (VWEX) that can offer a flexible alternative to real placements during the pandemic restrictions:
- www.springpod.co.uk a website that seeks to find all virtual opportunities out there at the current time.
- www.speakersforschools.com if you want to access their work experience opportunities, sign up as a 'young person' and you can browse their list of opportunities.

For university summer schools to boost your CV or your university application try:

- www.debatechamber.com (these often come with a fee approx. £200 - £300).
- www.routesintolanguages.ac.uk/events/
- www.Westminster.ac.uk-summer-school for architecture and other programmes.
- www.nuffieldfoundation.org/student-applicants for science-based opportunities including social sciences.

- Or look on the websites of universities that appeal to you as many have summer programmes which could be on site or virtual this summer.
