

Gordon's School Biology Department

**Key Terms:** 

**Dependent variable** 

Independent variable

**Control variable** 

Accuracy

Error

Precision

**Prediction** 

Repeatable

Variable

Reproducible

## **Key Skills:**

- **Development of scientific** thinking
- **Planning investigations**
- **Developing experimental skills** and strategies
- Recording data tables and graphs
- **Data analysis**
- **Data evaluation**

GCSE

**Exams** 

**GCSE - Curriculum Map** 

Reproduction Variation & Evolution **Genetics & Evolution** 

> Y11 Mock **Exams**

Y10 Mock Exams

Respiration **Photosynthesis** 

**Ecology** 

Year 11

**Human Nervous System Hormonal Control Homeostasis in Action (set 1 only)** 

Communicable diseases Preventing & treating disease

Non-communicable diseases

**Finish Organisation & the Digestive System Organising Animals & Plants** 

Revision

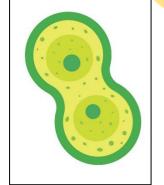

**Y9 Exams** 

> Start **Organisation** & the Digestive **System**

**Command Words:** 

- Calculate
- Compare
- Complete
- **Describe**
- **Determine**
- **Evaluate**
- **Explain**
- Justify
- **Predict**
- State
- Suggest
- Use

**After Christmas: Cell Structure & Transport Cell Division Stem Cells**
