

Gordon's School Biology Department

A-Level - Curriculum Map

Key Skills:

- Development of scientific thinking
- Planning investigations
- Development of experimental skills & strategies
- Recording data – tables & graphs
- Data analysis & evaluation
- Statistical testing

Command words:

- Analyse
- Apply
- Compare
- Define
- Describe
- Evaluate
- Suggest

Year 13

Section 6: Homeostasis

Section 5: Respiration
Photosynthesis
Energy & Ecosystems

Section 6
Response to Stimuli,
Nervous Coordination &
Muscles

Section 7:
Populations in
Ecosystems

Year 12
Exams

Section 4:
DNA, Genes & Protein Synthesis
Genetic Diversity
Biodiversity

Section 3:
Exchange
Mass Transport

Year 12

Section 1:
Biological Molecules
Nucleic Acids

Section 2:
Cell Structure
Transport across Cell Membranes
Cell Recognition

Key Terms:

- Accuracy
- Conclusion
- Error
- Evidence
- Precision
- Prediction
- Uncertainty
- Resolution
- Validity
