The background of the image is a close-up photograph of an ancient stone tablet covered in cuneiform script. The script is carved into the surface of a light-colored, textured stone, with many small, wedge-shaped characters arranged in horizontal lines. The stone shows signs of age, with some cracking and discoloration.

How to Message Mummies, Mesopotamians and Mythological Mexicans

This week's Super Curriculum theme is designed to get you thinking about the history of language and some of the most awe inspiring ancient languages in human history.

BUT WE ARE
GOING TO
TAKE A LOOK
AT THE
INCREDIBLE
LANGUAGE
OF THE
AZTECS –
MAYAN

WHAT LANGUAGE IS MAYAN?

- Mayan is an ancient language and one of the earliest forms of writing, invented by the Maya Civilization of Mexico and Central South America.
- What we would like you to do is to do a research into this fascinating language and create a piece of research, including your own message in Mayan.

Here are some YouTube links on how to write MAYAN:

**Honourable mentions for
2nd and 3rd place**

How to Message Mummies, Mesopotamians and Mythological Mexicans

I would like to see if we have any budding Philologists (someone who studies language in spoken and historical sources) amongst us.

Please research the Mayan language and write a piece about the language in English, writing your own message in Mayan.
Please include a translation of your message in English.

You could write your message about:

Give an account of your family, who is who?

A day in the life of

Describe a gathering of some sort.

Describe an area.

Create an interview

Or anything else which inspires you!

THE GORDON'S GUIDE TO HOW TO MESSAGE MUMMIES, MESOPOTAMIANS AND MYTHOLOGICAL MEXICANS
