NGTU
NOT GOING TO UNI

Is the UK's leading website dedicated to helping school and college leavers make informed decisions about their future by showing the opportunities that exist outside of the traditional university route. These can include apprenticeships, degree apprenticeships, gap years, traineeships and jobs. Despite this, they are not anti-uni!

They work with some of the biggest companies in the world such as Mercedes, Google, Facebook and many more... as well as local companies. They believe in allowing young people the best opportunities to ensure they have a great career in something they want to do!

Is EY right for you?

People from all backgrounds are welcome at EY, but are you a good match for each other? Find out with the EY and You Quiz.

Their purpose is to set young people on the path to exploring the real world and thinking for themselves, making their own connections between the academic syllabus and the challenging arena that awaits them beyond school.

At AllAboutSchoolLeavers help school leavers get jobs and understand the career paths available to them. Here, you'll find information on the different levels of apprenticeship — Intermediate, Advanced, Higher and Degree — as well as the latest school leaver job news and advice to help guide you on your career journey.
