We seek an enthusiastic graduate. High energy levels and good inter-personal skills will be essential.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 850 students including 270 residential boarders and a thriving sixth form. In 2019, the percentage of students achieving five or more GCSE grades 9-5, including English and mathematics, was 88%. The A*-C pass rate at A-Level was 93%, with 73% of the grades A* to B. These results rank Gordon's amongst the top non-selective schools in England for progress and attainment.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
