Teacher of Physics Maternity Cover (Suitable for NQT)

Competitive Salary

Required for February to July 2021

POSSIBLE SINGLE ACCOMMODATION AVAILABLE
POSSIBLE TLR
OUTSTANDING NQT PROGRAMME

This is an exciting opportunity to teach GCSE and A Level Physics and lower school Science at one of the most successful schools in England, with the possibility of teaching an extra year.

We seek an enthusiastic graduate. High energy levels and good inter-personal skills will be essential. There are potential TLR opportunities for a suitably experienced colleague. The position is also suitable for a NQT.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 900 students including 270 residential boarders and a thriving sixth form. In 2020, the percentage of students achieving five or more GCSE grades A* to C, including English and mathematics, was 87%. The A*-C pass rate at A-Level was 97%, with 87% of the grades A* to B. These results rank Gordon's amongst the top non-selective schools in England for progress and attainment.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
