

This Summer Year 11 and Year 12 students will be given the opportunity to sign up to NCS with The Challenge, a once-in-a-lifetime experience for 15 – 17 year olds that builds skills and confidence and helps them get ahead in work and life. This is a part-residential programme which begins with three sections that take place over 18 days, with breaks in between, after exams in the summer. Students in Year 12 also have the opportunity to participate in the NCS Autumn Programme.

Through PSHE lessons, students in Year 11 and Year 12 are able to explore these programmes through a series of workshops and assemblies, delivered by NCS staff.

Last summer several Gordon's students took part in the National Citizen Service Programme and came back with great stories to tell. Should you wish to ask for more information regarding their experience, please speak to Miss Hutchings (ahutchings@gordons.school).
