PRIZE GIVING AND ANNUAL INSPECTION
SATURDAY 5TH JULY 2025

Patron

His Majesty The King

Vice Presidents

The Lord Mayor of the City of London

The Lord Lieutenant of Surrey

The Bishop of Guildford

Guest of Honour

Major General Peter Rowell MBE

Major General Rowell left Zimbabwe at 18 to join the British Army and was later commissioned into the Royal Engineers. He has led engineering operations—including construction and combat roles—on four continents and was awarded an MBE for his service in Afghanistan as deputy chief of staff for 4th Mechanised Brigade.

His staff roles have focused on innovation and emerging technologies, including robotics and autonomous systems. As a brigadier, he was Head of Profession for the Royal Engineers and Commandant of the Royal School of Military Engineering, overseeing training for around 10,000 personnel and managing a major public-private partnership.

Most recently, he led the Concepts and Force Exploration team at the UK's Development Concepts and Doctrine Centre, shaping future defence policy and capability planning. Since May 2024, he has served as Commandant and Chief Executive of the Defence Academy of the UK, where he leads global defence and security education.

THE PRIZES

Almost all the prizes awarded will be in the form of books. Each book contains a bookplate giving the basis for the award and is signed by the Chair of The Gordon Foundation.

Prizes awarded this morning fall into one of three broad categories: Form prizes, subject and specialism prizes, and character development or leadership awards. The Form prizes are awarded for effort and attitude.

Subject prizes are awarded for academic excellence in a particular subject area. The development and leadership awards take into account the development of strengths and character of a student or recognise a level of leadership shown during the course of the year.

The Gordon Medal

The Gordon Medal is now awarded to the School Sergeant Major and Colour Sergeant every year. In addition, the Medal is awarded to the Pipe Major and Drum Major in recognition of services to the Pipes and Drums, and to each House Captain in recognition of services to marching and parades.

The Higginson Medal

The Higginson Medal is awarded to the Head Boy and Head Girl each year.

The Elizabeth Award

This is the school's highest accolade, not necessarily awarded every year. It is awarded to students for one-off exceptional acts of selflessness or to those who have consistently bled green and put the school and others ahead of themselves on too many countless occasions to measure.

Such students epitomise 'Better Me, Better World' and are the role-models for the Gordon's person we wish all students to be.

THE GORDON FOUNDATION

The Gordon Foundation is the charitable arm of Gordon's School and continues General Gordon's legacy of providing for 'necessitous' children.

The Foundation contributes to the education of boys and girls with specific boarding or educational needs through providing bursaries.

If you are able to support a child whose family is facing hardship, and give them an opportunity to attend Gordon's School then please scan the code to take you to our giving page. Any amount is always gratefully received and makes a real difference to the lives and outcomes of children who wouldn't otherwise have the opportunity to attend a school such as ours.
