Music is taught once a week in 55 minute lessons to all KS3 students.

At KS4 and 5 students receive 7 55 minute lessons across the fortnight.

Curriculum Outline

Our SoW and curriculum map are published on the school website. We have constructed a spiral curriculum which focuses on the key elements of music during Year 7: rhythm, pitch/melody and harmony. These are then revisited through projects of increasing complexity during Y8 and Y9. Although the projects in Y8/9 appear to be genre driven, those genres have been picked to allow us to focus in on one or more elements of music e.g. Blues in Year 8 is a focus on primary chords and chromatic melody. Our curriculum is informed, where appropriate, by the Model Music Curriculum.

SEND

The Music Department supports the whole school approach to increasing access for disabled pupils and supporting pupils with special educational needs (SEND) as laid out in the [SEN Information Report](#).

All students with SEND are taught in the main classroom. It is our experience that students with SEND often enjoy and excel at music making, and, with careful scaffolding, can make at least as much if not more progress than their non-SEND counterparts. All activities set offer a variety of levels of challenge. Lessons are broken down into short chunks of activity and starter activities based around recall and literacy help to embed literacy. IT is used to help engage students in theoretical skills and homework tasks.

For students with physical disabilities, we work with the [OMHI Trust](#) who can match students with suitably adapted instruments.

Practical Music Making

The focus through all KS3 classes is on learning to play the keyboard. This is to enable as many students as possible to access the GCSE course. Students who have no prior experience will start in Y7 by playing one hand only, but by the end of Y9 they should be able to play short, but reasonably complex pieces hands together. For those who already play, a differentiated scheme is available.

Other instruments are introduced as appropriate to the scheme.

Y7 – samba band instruments

Y9 – ukuleles

Singing is a very important focus for us, as it also feeds into GCSE Music. The first project in Y7 is all about getting students to sing confidently and with good technique. We introduce Kodaly hand signs to help with pitching.

Qualifications

At KS4, students can take GCSE Music (AQA – 8271).

At KS5, students can take A Level Music (Eduqas A660PA A Level - Option A A660PB A Level - Option B)

Students can also take practical instrumental and singing qualifications (see Examinations in Co-Curricular below).

In addition, we also deliver Arts Award (Trinity College London) as optional qualifications in the following year groups:

- Y8 – Bronze
- Y9-11 – Silver
- Y12 – Gold

Partnerships

Surrey Music Hub

We have a close working relationship with Surrey Music Hub. Rachel Brazendale is a member of the Surrey Secondary Schools Music Advisory Group and contributes regularly to their meetings.

Prince's Teaching Institute

The department has been a member of the Prince's Teaching Institute since the Music stream was introduced in 2011. We have been awarded the Schools' Programme Mark every year, and in 2023 we were in the top three schools nominated for the Bernice McCabe Award which celebrates excellence in subject leadership within schools, recognising departments that put quality subject teaching at the heart of the classroom. Rachel Brazendale works as a Development Partner for the PTI, assisting other schools on their PTI journey.

MTA

Adam Stanworth is a member of the Music Teachers' Association and regularly attends CPD with them.

Yehudi Menuhin School

Through their outreach work, we have benefitted from regular composition workshops, both at Gordon's and at the Yehudi Menuhin School. Students are able to hear their part completed, and finished compositions performed by the players at the school.

Arete Partnership

This partnership between Gordon's School, Woking High School, Robert May's School and Blenheim High School offers the opportunity for collaboration between Music departments. Recently this has taken the form of sharing good practice within the curriculum, an inter-school performance competition and hosting students from the other schools at our Creative Careers Day.

Reigate College

Specifically established for sharing good practice at A level, our link with Reigate Sixth Form College involves sharing of good practice, lesson observations and A level performance mock marking which we reciprocate at key points through the year.

Wellington College

We are part of the Wellington College State Schools' Partnership which involves CPD, opportunities, termly 'Teach Meets' and opportunities to attend masterclasses provided by the school.

Careers

At KS3, careers in Music are linked via the curriculum projects. Those students doing Arts Award in Y8 will also research their Arts inspiration, discovering how and where they trained in their art form.

At KS4 and 5 more bespoke trips, visits and events are laid on for students which have included:

- Talks from Gordonians on applying for music courses
- Talks from Gordonians working in creative industries
- Music at University trip
- Waterbeare College talk
- Powerhouse Recording Studio Careers Day
- Royal Holloway University
- Royal College of Music

Part B: Co-curricular music

Instrumental Lessons

Gordon's School has a team of fourteen visiting instrumental teachers offering instrumental tuition on the following instruments:

- Strings: Violin, Viola, Cello, Double Bass
- Woodwind: Flute, Clarinet, Saxophones, Oboe, Bagpipes
- Brass: All orchestral and brass band instruments
- Percussion: Drum kit, Highland Snare
- Guitars: Acoustic Guitar, Electric guitar, Electric bass, Ukulele
- Voice: Classical singing, Musical Theatre, Rock and Pop

These lessons are offered on a 1-1 basis. However shared lessons can be arranged on request and where there is a suitable match. Lessons for 2024-25 cost £31 per 30-minute lesson. Lessons can be longer for student tackling higher grades. Students who qualify for Pupil Premium may apply to the school to use some of their PP funding to

pay for music lessons. Pupil Premium (Forces) will receive one term of lessons from their funding.

The school can fund a small number of lessons for students on instruments which will be useful for the ensemble programme, particularly trumpet, trombone, tuba, violin, viola and cello. The school also has a limited set of instruments available to loan to students on this tuition scheme.

Examinations

Each term students can take graded instrumental and vocal examinations and are entered for these, with parental permission, on the recommendation of their tutor.

We offer qualifications with the following exam boards:

- ABRSM (Associated Board of the Royal Schools of Music)
- LCM (London College of Music)
- Trinity Guildhall
- RSL (Rockschool)
- SCQF National progression awards and personal development awards

Large Group Tuition

Year 7s are introduced to brass instruments & pipes and drums in the form of a carousel which takes place every Tuesday during P7. This is undertaken in groups of 20. By the end of Year 7 every student will have spent 6 weeks learning to play a brass instrument and 6 weeks learning to play the bagpipes and snare drum.

Ensembles

Co-Curricular Music is based around the principle of ensembles rehearsing weekly throughout the year to prepare for carefully targeted and meaningful public performances. This ensures consistency as well as providing the long-term environment required to challenge all levels of musician from beginners up to the most advanced. All ensembles are free to join.

Choral Ensembles

- Junior Girls' Choir (Years 7 & 8)
- Junior Boys' Choir (Years 7 & 8)
- Semper Fidelis Singers (Years 9 – 13)

Jazz Ensembles

- Junior Jazz
- Intermediate Jazz
- Senior Jazz

String Ensembles

- Crescendo Strings (for beginner and intermediate string players)
- Gordon's String Orchestra (for intermediate and advanced players)
- Chamber Groups e.g. quartets and trios

Mixed Ensembles

- Concert Band (for all levels of instrumentalist)
- Orchestra (for more advanced instrumentals)
- Under the Arches Band (for intermediate and advanced instrumentalists)

Ceremonial Ensembles

- Pipes and Drums Band
- Under the Arches Band (for intermediate and advanced instrumentalists)

Music Practice

The department has a suite of 7 practice rooms and two classrooms which are open from 7.30 am in the morning and throughout the day for students to practice during their breaks or free periods. Supervised practice sessions are also held every afternoon between 4 and 5 pm and in the evenings until 7.30pm (9pm on Thursdays).

Music Scholarships and Awards

The school offers a number of music, musical theatre and piping scholarships to incoming Sixth Form students each year. Applicants should have achieved a minimum of Grade 7 on their instrument or singing. Students are selected following audition and interview. Students in receipt of scholarships receive three hours of additional tuition in their chosen discipline each week, which might consist of instrumental lessons, musicianship training, composition mentoring and external tuition.

The Gordonian Award is a single prize given to a Year 11 arts student who has shown high levels of involvement in the arts. This consists of money to allow students to further pursue their arts interest.

Co-Curricular Partnerships

Surrey Music Hub

We have a close working relationship with Surrey Music Hub. The Hub provides coaches for a number of Period 7 activities (group P-trumpet classes and Music Tech and DJing 2025-26)

Guildford Cathedral

A choral link has been established between Semper Fidelis Singers and Guildford Cathedral Choir this year. The Director of Cathedral Music, Katherine Dienes-Williams will visit the school on a number of occasions to work on choral singing skills. This will culminate in 2025-26 with a joint Evensong performed by Semper Fidelis Singers and the Guildford Cathedral Choir.

Steinway

This year Gordon's will be only the second state school in the country to become a 'Steinway School'. This means that the school has partnered with Steinway to ensure all teaching and performance instruments are Steinways. This partnership also includes hosting events for Steinway artists and masterclasses for students at school and Steinway Hall in London.

Music Competitions

Within the department we run three internal competitions a year:

- Autumn Term: Christmas Carol Composition (winning entries have their composition performed at the Christmas Carol services)
- Spring Term: Concerto Competition (winning student performs their concerto movement with an orchestra at the Spring Concert)
- Summer Term: Academic Enrichment Competition

Students also have the opportunity to enter a number of external competitions including:

- Pro Corda Chamber Music Competition (finalists – 2024, semi-finalists 2025)
- UK Schools Music Festival
- Arete Performance Competition
- Woking Music Festival
- Woking Young Musician Trust

Leadership Roles

We encourage students to take leaderships roles within the department and the musical ensembles. These include:

- Choir Leaders
- Music Ambassadors
- Trumpet Corporal, Sergeant and School Trumpeter Ceremonial Positions (Arches Band)
- Pipe and Drum Ceremonial Roles (Pipe and Drum Majors, Pipe and Drum Sergeant)

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Musical Events in School

A busy programme of events is scheduled throughout the school year to ensure meaningful performance opportunities for singers and the full range of instrumentalists. The list below is open to all year groups, apart from where specified.

- Newcomers' Concert (Y7&Y12)
- Piano Recital Evening
- Inter-House Solo Competition
- Inter-House Group Competition
- Informal Concerts
- Parades
- Piping Concerts
- Chapel Services
- Evensongs
- GCSE Performers' Concert (Y11)
- Pianists play at open days
- GSPA Christmas Fair
- Carol Services

All members of the Pipes and Drums Band are part of the Gordon's School Army Cadet Force Music Section and have access to cadet music events e.g. Beating the Retreat at Horse Guards.

Trips and Visits

- Regular visits to view professional concerts at venues such as the Basingstoke Anvil and GLive in Guildford.

Tours

- Foreign tours are undertaken approximately biennially. 50 students attended the Creative Arts Tour to New York in 2025, including a choral performance at the Empire State Building and Piping in the Tartan Day Parade on 6th Avenue.
- The next planned tour is Venice and Lake Garda in Summer 2027.

Workshops

Six workshops take place each year with the aim of reaching as many students as possible. Typical content includes:

- Body percussion
- Beatboxing
- Songwriting
- DJing
- String masterclasses
- Composition masterclasses
- Piano masterclasses
- Jazz masterclasses

For musical performances, concerts and shows in and out of schools, include how pupils get involved and from which year groups, whether pupils are participating or are members of the audience.

In the future

This is about what the school is planning for subsequent years.

--

- Review Year 8 Curriculum Scheme of Work for 2025-26 with regard to the gender balance of Year 8.
- Ensure access to music is inclusive, no matter what additional need a student may have.
- Consult with Surrey Music Hub as to how to broaden access to live music for all KS3 students
- Develop “Brass for beginners” scheme to identify and nurture potential brass players
- Develop more local careers links with music-based providers
- Prepare an entry for the Barnardo’s Choir of the Year Competition (2025-26)

Further information (optional)

The Department for Education publishes a [guide for parents and young people](#) on how they can get involved in music in and out of school, and where they can go to for support beyond the school.
