A Level Results Over Time

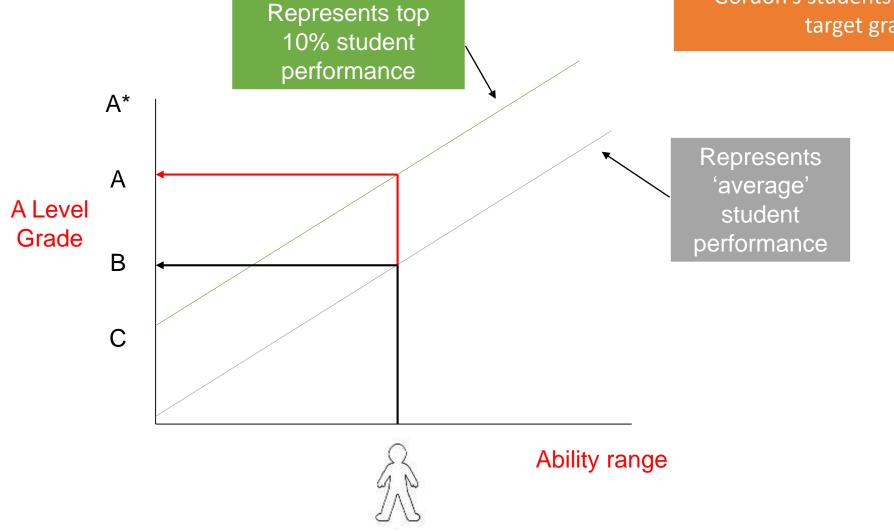

A Grade Higher

Target Grades for students at Gordon's are set within the top 10% of student attainment nationally.

Every year, approximately 70% of Gordon's students achieve these target grades.

Reminder: How We Achieve The Best Possible Examination Results

What you should expect from all lessons at Gordon's...

Hard Work

Effort is King

Those students regularly attaining the best Effort Grades, routinely achieve higher A level results!

Bottom 20 Y13s for effortAverage effort grade 2.61Average grade C/D

Top 20 Y13s for effortAverage effort grade 1.27Average grade A/B

Effort Grades

- 1 = Outstanding
- 2 = Very Good
- 3 = Good but occasionally inconsistent
- 4 = Cause for concern
- 5 = Unacceptable

Typical Year Group Effort grade profile

- Top 25% = Below 1.5
- Middle 50% = 1.5 to 2.0
- Bottom 25% = Above 2.0

Effort Grades have become more nuanced in recent years to more accurately reflect the spread of student effort.

A Grade 3 need not raise significant concerns.

Reports will identify where in their Year Group a student sits in relation to others, based on their Effort Grade.

We have re-introduced the Year Group ranking.

Happy Students, Learn Best

Let's:

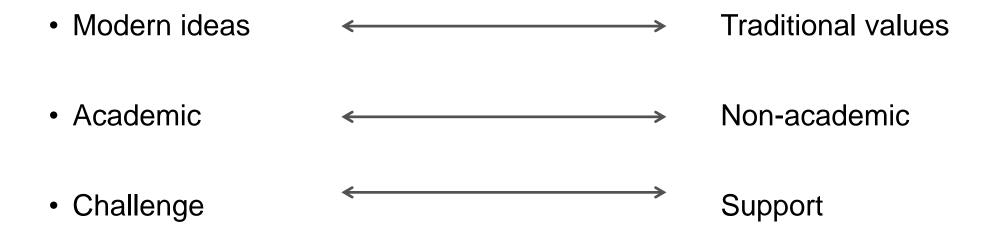

- Keep them organised
- Keep them focused
- Stay calm
- Work together

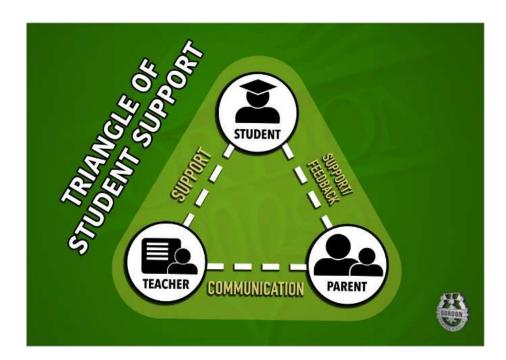

Balance

'Happy Parents, Happy Kids'

- 'Research consistently concludes that the absence of over-protective parenting =
 - 1. Lower anxiety / depression,
 - 2. Higher social engagement
 - 3. Greater ability to solve problems and
 - 4. More succeed in exams
- Also, if we disagree, it is invariably best that students don't know.
