2025

WELCOME TO AUGUSTA:

We are delighted you are joining Augusta House and hope that you will be happy with us. We look forward to getting to know you in September, but in the meantime we have enclosed some useful information to help make settling in as easy and stress free as possible!

Boarding can be one of the most fulfilling and enjoyable experiences that life has to offer. At Gordon's School you have a vast array of opportunities and facilities at your disposal; your job is to make full use of what is on offer.

Over the coming years you have the potential to form some of the strongest friendships you will ever make and learn the importance of being a member of a positive and caring community.

Boarders at Gordon's should enjoy an environment where they feel supported, encouraged and above all safe. Boarders should always respect each other and conduct themselves in a friendly and honest manner.

In this boarding booklet you will find listed the guidelines for making the most out of boarding at Gordon's. I hope you will have a happy and fulfilling time with us in Augusta House.

Mr & Mrs Mathews
Augusta House Parents

BED TIME AND LIGHTS OUT:

It is important to get a good night's sleep; therefore there are strict timings for when each year group must head up to bed. Once the duty member of staff or Prefect has turned the lights out, boarders must remain quiet in their rooms and not disturb anyone else.

Year:	Phones Handed In:	In Rooms & Quiet By:	Reading Time:	Lights Out:
8	8:45pm (Tue - Fri) 3:00pm (Sat - Sun)	9.30pm	9.30pm	9.45pm
9	9.00pm	9.45pm	9.45pm	10.00pm
10	9.00pm	9.45pm	9.45pm	10.00pm
11	10.00pm	10.00pm	10.15pm	10.30pm
12/13		10.30pm		11.00pm

ALL TIMINGS ARE 30 MINUTES LATER ON SATURDAYS.

Please note, Sixth Form must always be back in the Extension 15 minutes before bedtime. NO STUDENTS SHOULD GO OFF SITE AFTER ROLL CALL.

BED CHANGE:

You are expected to change your bedding each week on a Tuesday evening.

BREAKFAST:

Breakfast is compulsory for all boarders (except Year 13, who may eat in house). The Dining Hall is open from 7.30am to 7.50am on a House-by-House rota, which changes weekly. Students will be registered out of the House in the morning by the prefect on duty on their way to breakfast.

CONTACT WITH VISITORS TO THE SCHOOL SITE:

Gordon's often has visitors from outside the school community coming on site to make use of the facilities. It is important that you are aware that you may come into contact with visitors and should therefore behave in an appropriate manner that upholds the values of the school. You should not be wandering around the site on your own in the evenings and if you see anyone acting suspiciously, you should report them to your House parents immediately.

DORMITORIES:

Dormitories will be checked to ensure they are tidy each morning after students have left for school. If they are not up to standard, they will be asked to tidy their areas properly at break time.

DUTIES:

Students in Years 8 to 11 have a collective responsibility for keeping the house tidy and duties are carried out on a rotational basis. The prefect team and house staff oversee duties.

ELECTRICAL ITEMS:

Pupils may bring their own electrical appliances, e.g. hair driers, radios, clocks, laptops etc. Each item should have the BEAB approval. If they do not have this then each electrical item will be PAT tested in School. Pupils from abroad must have an adaptor for their electrical items. Heaters, kettles and cooking devices are not permitted.

FIRE:

If the alarm sounds at night, you should ensure that you have something warm to wear and that you have shoes on. **Do not wrap yourself in a duvet!** If a fire alarm sounds at night students should line up in silence on the parade square.

GAMES EQUIPMENT:

Pupils can keep their hockey sticks, tennis racquets or other sports equipment in the locker room (not in the dorms).

The House has a variety of games equipment, which students can borrow.

HOME SICKNESS:

Everyone gets homesick. Everyone. For new boarders, this is often true on the first night though do not be surprised if you feel it after three or four days. There is no magic solution. Talking to your friends is often helpful; they will be feeling the same. Going home usually makes it worse. The key is to try to remember that it is a normal feeling and that it will pass. Do talk to the House staff. It will help.

HOUSE MEETINGS

These are held weekly and involve all students on their allocated days. They are a forum for notices to be given out, for concerns or issues to be raised and for a special effort of achievement to be acknowledged.

ILLNESS:

If you are feeling unwell during the School day, you should head directly to the school office where the staff will contact the house to see if anyone is available. The Assistant Head of House will refer you to the School medical centre if necessary. If you are feeling unwell at night, you can contact the House Parent's by ringing the intercom in the corridor outside the dorm or knocking on their door.

KEYS:

All students have a lockable area in their dorms to store their valuables; they will need a small padlock for this. We advise against combination padlocks for obvious reasons.

LAUNDRY:

There is a laundry bag or basket for each dorm. Before lights out, a student from each year will take down the laundry to the laundry room and put in the blue bags provided. Each student will also be provided with a net bag for smalls. The laundered clothes are returned a little while afterward and placed into each student's individual shelf in the laundry room.

Sixth Form are encouraged to do their own washing using the House facilities. There is a washing machine and tumbler dryer in both the main house and Sixth Form house (washing powder is provided).

There is an ironing board and an iron in both buildings.

LEAVING THE SCHOOL SITE:

You may not leave the School site during the School day without first seeking permission from the duty member of staff. Boarders seeking permission to be out for the weekend should have organised permission by the preceding Thursday evening.

Full boarders are allowed weekend leave after lunch according to Houseparents' permission.

THE FOLLOWING IMPORTANT POINTS SHOULD BE NOTED:

- Leave (weekend day-leave by Residential Boarders). Students must be back by 5.00pm on both days unless prior approval has been obtained
- Y11 Day & Residential Boarders may visit BP or the grocery store on a Friday evening after marching until 6.00pm. They must return within 30 minutes.
- Y8 Residential Boarders may visit West End (BP & Grocery store – maximum 30 minutes) and Lightwater.(maximum 1 hour 30 minutes).
- Y9 Residential Boarders may additionally visit Camberley.
- Y10 Residential Boarders may additionally visit Woking.
- Y11-13 Residential Boarders may visit any of the above, and also Guildford.
- Girls must always be in groups of at least 3 and must always carry the house number with them.

LOST PROPERTY

The most common reasons for losing things are that it is either not named or it has been left after a PE lesson. Always name your items and always use your lockers & wardrobes.

MANNERS

Manners are always important. Always be courteous to others so that there is a friendly atmosphere in the House. Saying 'please' and 'thank you' to the catering staff & house staff will make life so much better for everyone.

MEALS

Mealtimes for each week will be displayed in house. All students (including sixth form) must attend every meal in the dining hall for which they are present in school.

MEDICINES:

All medicines must be handed in on arrival, so that they can be stored in a safe place. A record is kept in the House to ensure that all medicines are administered under staff supervision. No pupil should be administering any medicines without the School's knowledge.

MOBILE PHONES/TABLETS:

We respectfully remind parents that the school cannot be responsible for the security of mobile phones/chargers/tablets in any way. We do ask that girls in Years 8 to 11 put their phones into the cabinets provided at bedtimes, in order to prevent disturbances during the night. We also lock all devices away overnight.

Students in Years 8 to 11 are not permitted to have their phones during the school day and can collect them at 7.30pm after prep (7.45pm for Year 8 Tuesday-Friday – Monday is a screen free day for Year 8 students).

Students in Year 12 and above may have mobile phones; however, they are not to use them around the School during the School Day or during prep times. Tablets for Years 8 to 10 will be collected in after prep in exchange for phones. Phones will be collected in at the following times:

- Year 8 – 8.45pm
- Year 9 - 9.00pm
- Year 10 - 9.00pm
- Year 11 - 10.00pm

Students are not permitted to use their mobile devices in their dormitories. In addition to this videos or photos must not be taken in any of the communal spaces, dorms or bathrooms/toilets.

Y11 Residential Boarders can have their phones after breakfast on Saturday before activities and fixtures, and after 09.00am on Sundays.

Saturday - Y8-10 boarders can collect phones after 12pm (unless they have an activity off-site and are travelling to a fixture, in which case they can collect their phones before they leave). Y8 phones will be collected in again at 3pm. Y9-11 hand their phones in between 6-7pm for quiet time / prep in house for all in Y8-11.

Sunday – Y8-10 boarders can collect phones after 12pm. At 3-4pm all students in Y8-10 hand their phones in and engage in an activity on site, if not on a trip. This initiative is to encourage boarders to have a rest from their mobile devices. Y9-10 students will have phones returned at 4pm until they hand them in at 9pm.

International students contacting home: Discretion will be exercised when students wish to make calls to their home country in a different time zone during school hours.

MONEY:

There is no need for you to have more money than you would normally have at home!

We encourage students to open an account at a bank or building society and use a cash card.

There are some things that are best added to the school bill, such as the use of taxis, trips etc. This avoids large sums of money being carried around.

MUSICAL INSTRUMENTS:

We have encouraged the girls to leave these safe in the school music department.

NAMING THINGS:

All items of clothing, bedding, mobile phones, chargers, bags etc. must be named clearly. All pupils are responsible for their own belongings at all times and must ensure items are securely locked away. **Residential boarders need to be aware that they only have a small amount of storage space each so must limit what they bring.**

It would be very useful if shirts and t-shirts could be named inside the collar so they can remain folded when returned ironed from Laundry.

In addition, the school has an Independent Listener who can be contacted at any time. The
