

GORDON'S SCHOOL

Privacy Notice (How we use student and parent information)

The categories of student and parent information that we collect, hold and share include:

- Personal information (such as name, unique student number and address)
- Characteristics (such as ethnicity, language, nationality, country of birth and free school meal eligibility)
- Attendance information (such as sessions attended, number of absences and absence reasons)
- Assessment information (such as MiDYiS, KS2 data)
- Relevant medical information (such as allergies, medication etc)
- Special educational needs information where relevant
- Behavioural information including exclusions where relevant
- Post-16 learning information

Why we collect and use this information

We use the student data:

- to support student learning
- to monitor and report on student progress
- to provide appropriate pastoral care
- to assess the quality of our services
- to comply with the law regarding data sharing
- to enter students for exams

We use the parent data:

- to respond to requests for information about joining the school
- to communicate with you

The lawful basis on which we use this information

Data will be processed for the purposes of responding to requests for information about joining the school and the school will therefore have a "legitimate interest" for processing basic personal data and sensitive personal data. The data the school holds will be the minimum it requires.

The submission of student data for the school census is a statutory requirement under the Education Act 1996.

Collecting student and parent information

Whilst the majority of student and parent information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain student information to us or if you have a choice in this.

Storing student and parent data

- We hold student data for the period of from their date of birth plus 25 years.
- If they have an Education Health Care Plan we hold student data up to their date of birth plus 30 years.
- If the student is on the child protection register and is the subject of a multi-agency plan their data will be held indefinitely.

Who we share student information with

We routinely share student information with:

- Schools that the student attends after leaving us
- our local authority
- the Department for Education (DfE)
- our IT contractor (CTS)
- the School doctor (for residential boarders only)
- exam boards including for music and LAMDA
- our Careers provider (Kick Start)
- the Combined Cadet Force (CCF) (Y10 students and those that continue beyond Y10) the purpose of this is to ensure that all cadets are insured by the MOD whilst participating in CCF activities
- colleges and UCAS where references are requested

Why we share student information

We do not share information about our students with anyone without consent unless the law and our policies allow us to do so.

We share students' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our students with the (DfE) under regulation 5 of The Education (Information About Individual Students) (England) Regulations 2013.

Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

Youth support services

Students aged 13+

Once our students reach the age of 13, we also pass student information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or guardian can request that **only** their child's name, address and date of birth is passed to their local authority or provider of youth support services by informing us. This right is transferred to the child / student once he/she reaches the age 16.

Students aged 16+

We will also share certain information about students aged 16+ with our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- post-16 education and training providers
- youth support services
- careers advisers

For more information about services for young people, please visit our local authority website.

The National Student Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about students in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our students to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Students) (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-student-database-user-guide-and-supporting-information>.

The department may share information about our students from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to student information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
