

Gordon's School

Approved Tuition Companies

Please find below information about the two companies that Gordon's have vetted and approved for the provision of private tuition under the Pupil Premium and Catch-Up Premium schemes.

This information should be read in conjunction with the companies' individual Terms of Service which parents will be bound by should they choose to engage these companies.

Tutor Doctor is a nationwide company with branches across the UK. Our agreement, however, **is with the West Surrey branch only**, serving Farnham, Camberley, Woking and Guildford. Should you wish to use another branch, you will need to follow the advice given in the document *Engagement of Private Tutors* included on the School website.

Tutor Doctor West Surrey has over 240 tutors on its books drawn from qualified teachers, post graduates and industry specialists. **Lynn Barker** is our contact at Tutor Doctor and will be happy to discuss your personal requirements. Tutor Doctor West Surrey has agreed a special rate for Pupil Premium and Catch-Up Premium students from Gordon's School of £42 per hour. They also fully investigate each pupil's individual needs before tuition begins and monitor progress to ensure goals are attained. Parents are also kept up to date with progress via email reports on each tuition session.

Winchmore Tutors has 2 offices in the South East, with our nearest based in Epsom. Again, our agreement is with **the Epsom branch only** and should you wish to use another branch, you will need to follow the advice given in the document *Engagement of Private Tutors* document included on the School website. **Emily Furness** is our account manager and will be happy to discuss any questions you may have about tuition. Winchmore charges £35 per hour for in-school tuition and £40 per hour for home tuition, specialising in Maths, English and Science, although other subjects are available. Feedback summaries of each lesson are available on their website and observations of tuition sessions are carried out to ensure quality.
