Chairlift & Toboggan

The cable lift takes you 90 metres high to the viewing tower, charming restaurant and pavement café, and of course the Toboggan Run. There are two toboggan runs, which are 325m and 375m long, under the cable-lift. Whoosh at high speed down the runs then let the automatic towing system take you back up the hill to the starting point.

Lasertag in the Caves

Set in the caves; this unique attraction splits groups into red and green teams with the objective of “shooting” as many of your opponents as possible. Within the cave, effects of smoke and music make it difficult to locate your opponent” and bonus points can be obtained by reaching the “secret mine” hidden in the area.

Bowling

Enjoy an evening at the lanes and get competitive with this fun and social activity.

Human Table Football

We have all heard of the game Table Football – Why not become part of the game and try your hand at human sized table football. Set in the caves; strap in and play as part of a team of 6 in competing against your friends and staff... May the best team win!!

Local Swimming Pool

This local indoor pool in the centre of Valkenburg has a large slide and is within walking distance of all hotels in Valkenburg.

Pancake House: De Koffie Pot

Beautiful old fashioned pancake house established in 1963 set in the heart of Valkenburg. Experienced with catering for groups, many schools have enjoyed a sugar pancake and soft drink deal.

Ritchi's Steak House

Try something different with an evening meal out at Ritchi's steak house – A perfect end of Tour Meal! The only place in Valkenburg with your very own table BBQ! Ideal for large groups, customers have a self-service buffet selection of meat to choose from and then take back to the table and cook for themselves! With a soup and salad bar and chips also included in the evening, there is plenty of food to fill you up!

Mosaqua

Mosaqua is a fantastic swimming paradise, which has plenty to offer school groups. The indoor pool includes whirling slides, jet-streamers and rapids of 90 metres long for adventurous swimmers, or; for those who would like to relax, enjoy the whirlpools, solaria and the steam bath. Outside there is a large sunbathing area which consists of two large bathing-pools, three smaller pools and large water slides.

Aquana

Aquana is a great indoor waterpark with a lazy river, black hole, wave pool plus much more. This exciting excursion will keep your group entertained for hours. The local park also has an outdoor 25m swimming pool which is great for team games and races.

PSV Stadium Tour, Eindhoven

The PSV Stadium is one of three European Cup winning football clubs in the Netherlands. The stadium has been host to many European Cup matches, and was one of the Dutch venues for the Euro 2000 competition jointly organised by the Netherlands and Belgium. During a tour through the Philips Stadium you will be fully informed of its history as well as seeing various special places in the stadium; including pitch and changing rooms. It may be possible to take a look in the Business Club, the press centre and the tunnel to the pitch.

Maastricht City Tour

Magnificently perched on the Dutch/Belgian border, along the banks of the meandering River Meuse, Maastricht dates to Roman times c.50BC – and therein lies the historic,

cultural and business allure of this magnificent, cosmopolitan and wonderfully accessible city. Although it is the provincial capital city of Limburg, almost everything about Maastricht is different from the rest of Holland – except for the clusters of bikes that lean against every available wall. Of particular interest are the Natural History Museum, Bonnefanten Museum and St Servaaskerk (baroque style Catholic Church). Maastricht is also great for shopping!

Phantasialand

Phantasialand proudly calls itself 'Europe's most unique theme park'. The wild water rapids, mystery castle, Hollywood tour, space centre and Colorado adventure are just some of the attractions. Everything is located in a large, leafy park, which is almost worthy of a visit in itself. Restaurants such as Alt Berlin, Don Pedro and Chinatown offer a variety of food and drink. Picnic areas are provided if you wish to bring your own snacks.

Only possible if group books an extra day, it is approximately 2 hours drive from Valkenburg.

Walibi World

Walibi World theme park is the Alton Towers of Belgium. With roller coasters, log flumes, go-karting and many other rides; Walibi World has something for everyone!

This visit is only recommended if you are taking an extra day on your MasterClass tour.

NEXT STEPS

Next steps

1. Face to face meeting

It's vital to meet the people who are going to be running your tour. I am personally available to come and speak through the whole tour with you face to face. This is the best way to get the tour exactly how you want it.

2. Tour Approval

Following quotation approval, if required we can provide you with the SMS Policies and help you in completing your Risk Assessments relating to your tour. We can also come along and run a presentation evening for you to launch the tour.

3. Launch your tour

The best way to do this is to organise an information evening, which we are more than happy to run for you. All our staff are very experienced presenters and will be able to get the best possible numbers for the tour, with H&S info, an outline of the itinerary, stories, pictures and video to really make the dream come alive.

4. Gather your booking deposits

It's best to do this as early as possible to avoid disappointment with hotel availability, flight allocations, and to get the best fixtures possible. It also helps us run a really smooth tour for you.

To book you need to do the following:

1. **Complete an online [Booking form](#)**
2. **A deposit of £150 per person will be required to secure your tour**
3. **An interim payment of £150 will then be payable approximately 3 months after your deposit payment**
4. **Final balance will be payable to us 12 weeks prior to departure.**

We will then confirm your tour and begin booking everything up and developing your tour for you.
