

**GORDON'S SCHOOL
WOKING**

SIXTH FORM ADMISSIONS POLICY 2019-20

Gordon's School offers a range of GCE AS and A2 courses, which require minimum grades at GCSE or equivalent. Our policy is to ensure that all students accepted into the Sixth Form are placed on appropriate courses where they are likely to succeed. The School does not run an 'open access Sixth Form'; entry is **conditional** and regular reviews of a student's performance are carried out.

As a school we aim to develop the leadership potential of all students through involvement in whole school activities. The Sixth Form at Gordon's is very high achieving and virtually every student goes on to university.

1. APPLICATION PROCEDURE

External applicants and Year 11 students in the school are required to complete and return a Gordon's School Sixth Form application form. The deadline for returning external application forms is 3 December before year of entry. Applicants must achieve the Minimum Qualifying Standard (MQS) for the subjects they wish to pursue in order to take a place in the Sixth Form. Applicants must also meet the requirements of the courses upon which they wish to enrol as set out in the Year 12 Subject Information booklet. These may include the requirement to obtain higher grades than the MQS in certain combinations of subjects in order to enrol on particular courses.

Gordon's students and external applicants are invited to attend the Sixth Form Open Evening in October with their parents. During the evening the Deputy Head Teachers present the courses available, the qualifications required to be offered a place and the commitment and standards expected from the Sixth Form students. External applicants are also invited to tour the school and discuss subject choices.

2. ADMISSION NUMBERS

• **Residential boarding places**

There are up to 40 Residential Boarding places available for Year 12. The number of places available to external applicants is dependent on the number of internal applicants.

Up to 6 of the residential places will be awarded on aptitude in sport, visual arts or performing arts. Places awarded on aptitude are also subject to the general and subject specific grade requirements.

• **Day boarding places**

There is an admission number of 20 external day places for students who satisfy the entry requirements for the courses that they have chosen and accepted. The School may exceed this number if the preferred courses of study are not oversubscribed and the applicant has met the minimum entry requirements.

Up to 6 day boarding places will be awarded on aptitude in sport, visual arts or performing arts. Places awarded on aptitude are also subject to the general and subject specific grade requirements.

3. ENTRY REQUIREMENTS

3.1 Gordon's School Sixth Form offers AS and A2 Level subjects only; we do not offer vocational courses or diplomas. The academic requirements for admission to the Sixth Form are:

1. A minimum of five GCSE grades 9 to 4 including grade 4 in English Language and Mathematics.

AND

2. The grade criteria for individual subjects as outlined in the Year 12 Subject Information booklet.

3.2 Up to twelve places (6 residential and 6 day places) will be awarded for sports, visual arts or performing arts aptitude

3.3 Places awarded by aptitude are also subject to the general and specific entry grade requirements and subject to the residential boarding requirements (see section 7) for the residential places.

3.4 Students wishing to be considered for a place based on sports, visual arts or performing arts aptitude are required to sit an aptitude assessment.

3.5 A minimum score in the aptitude assessment is not required.

3.6 A rank order of students' aptitude assessment results will be drawn up and places will be awarded according to the rank order of results.

3.7 In the event of the aptitude assessments producing two or more equally placed students, then the oversubscription criteria will be applied to determine the order in the rank of the equally placed students (see sections 5 and 6).

3.8 In the event that there are insufficient applications to fill the places to be awarded on aptitude in sport, visual arts or performing arts the unfilled places will be added to the remaining Sixth Form places awarded solely on the minimum entry requirements.

3.9 Students unsuccessful in obtaining a place on aptitude may apply for one of the remaining residential boarding or day boarding places.

3.10 All students at Gordon's School are expected to have a strong work ethic and Sixth Form students are regarded as positive role models contributing to the high standards of behaviour in the whole school. They are given privileges and responsibilities reflecting their age and standing in the school.

Sixth Form students are not required to wear normal school uniform. However, dress is expected to be smart, in line with the standards and reputation of Gordon's.

4. TRANSFER TO THE SIXTH FORM WITHOUT CHANGING CATEGORIES

Year 11 students must apply to return to the Sixth Form by the deadline which is set for this purpose. These applications remain outside the Admissions Policy unless students also wish to transfer from residential boarder to day boarder or vice versa from September 2019.

All students in Year 11 at the School must achieve the MQS in order to transfer to the Sixth Form. The MQS for 2019 will be a minimum of five GCSE grades 9 to 4 including grade 4 in English Language and Mathematics and the grade criteria for individual subjects as outlined in the Gordon's Sixth Form Options booklet. These may include the requirement to obtain higher grades than the MQS in certain combinations of subjects in order to enrol on particular courses.

5. OVER SUBSCRIPTION CRITERIA – DAY BOARDERS

In the event of a subject being oversubscribed the following oversubscription criteria will be applied in order of priority:

- a. Looked after children and post looked after children will be considered to be:
- children who are registered as being in the care of a local authority **or provided with accommodation by a local authority** in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
 - children who have previously been in the care of a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a **child arrangement order** (in accordance with Section 8 of the Children Act 1989 **and as amended by the Children and Families Act 2014**) or special guardianship order (in accordance with Section 14A of the Children Act 1989). Official confirmation of the student's status will be required in all cases as evidence of priority status.
- b. Applicants transferring from a residential boarding place in Year 11 at Gordon's School. If oversubscribed the shortest radial distance from the home address to the School main entrance will be used to determine priority.
- c. Applicants who have a sibling who is on roll at the school and who will be a student at the school at the time when the applicant, if successful, is admitted. If oversubscribed the shortest radial distance from the home address to the School main entrance will be used to determine priority.
- d. Applicants on the basis of the shortest radial distance from the home address to the School main entrance.

Distance is measured using Surrey's Admissions and Transport Team's Geographical Information System (GIS), in a straight line from the child's home address (or in cases of shared custody, where he or she lives for the majority of the school week) as set by Ordnance Survey, to the main school gate. This can be found on the Surrey website (www.surreycc.gov.uk). Where there are multiple addressees with only one address point eg. blocks of flats, or where applicants are equidistant from the school, priority will be decided by lottery.

6. OVER SUBSCRIPTION CRITERIA – FULL AND WEEKLY RESIDENTIAL BOARDERS

Where applications exceed the number of places available the following criteria will be applied in the order set out below:

- a. Looked after children and post looked after children will be considered to be:
- children who are registered as being in the care of a local authority **or provided with accommodation by a local authority** in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
 - children who have previously been in the care of a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a **child arrangement order** (in accordance with Section 8 of the Children Act 1989 **and as amended by the Children and Families Act 2014**) or special guardianship order (in accordance with Section 14A of the Children Act 1989). Official confirmation of the student's status will be required in all cases as evidence of priority status.
- b. Children of Members of the UK Armed Forces, who qualify for Ministry of Defence financial assistance with the cost of boarding school fees, who have an older sibling on roll as a full or weekly boarder at Gordon's on 31 October in the calendar year preceding the date of admission.
- c. Children of Members of the UK Armed Forces who qualify for Ministry of Defence financial assistance with the cost of boarding school fees. If oversubscribed, lots will be drawn to determine which children shall have priority.
- d. Children with a boarding need not included in c. above who have an older sibling at Gordon's on roll as a full or weekly boarder on 31 October in the calendar year preceding the date of

admission for normal round applicants or at the time of admission for in year applicants. This may include children at risk or with an unstable home environment and children of service personnel who have died whilst serving or have been discharged as a result of attributable injury, children of key workers working abroad and Crown Servants working abroad (e.g. the children of charity workers, people working for voluntary service organisations, the diplomatic service, teachers, law enforcement officers and medical staff) whose work dictates that they spend much of the year overseas. If oversubscribed, lots will be drawn to determine which children shall have priority.

- e. Children with a boarding need not included in c. above. This may include children at risk or with an unstable home environment and children of service personnel who have died whilst serving or have been discharged as a result of attributable injury, children of key workers working abroad and Crown Servants working abroad (e.g. the children of charity workers, people working for voluntary service organisations, the diplomatic service, teachers, law enforcement officers and medical staff) whose work dictates that they spend much of the year overseas. If oversubscribed, lots will be drawn to determine which children shall have priority.
- e. All other applicants for places as boarders. If oversubscribed lots will be drawn to determine which children shall have priority.

7. ADMISSION AS A RESIDENTIAL BOARDER

There are three separate and distinct parts to the residential boarding admissions process:

- i. Eligibility for a residential boarding place
- ii. Suitability for residential boarding
- iii. Main admission process

i. Eligibility for Residential Boarding Place

The process for considering eligibility for a residential boarding place is distinct from the suitability for residential boarding process and the main admission process.

In order for prospective students to demonstrate that they are eligible for a residential boarding place, they must meet one of the following criteria before an application can proceed:

- full UK Citizenship; or
- a permanent or temporary UK Residency Permit with access to public funds; or
- have other approved residential status in the UK with access to public funds.

The school will require proof of eligibility before processing the application. The submission of photographic identification may be used to assess eligibility only and is not used as part of the admission process. The restriction in paragraph 1.9 (o) of the School Admissions Code (2014) does not therefore apply.

The school reserves the right to re-assess eligibility for a residential boarding place at any time during the student's time at the school.

ii. Suitability for Residential Boarding

The process for considering suitability for boarding is distinct from the eligibility for a residential boarding place process and the main admission process. Applicants for boarding places are assessed for their suitability for boarding prior to the application of the oversubscription criteria. This is to determine whether an applicant would, if admitted:

- a) present a serious health & safety hazard to the boarding community (including people and buildings); or
- b) be able to cope with and benefit from a boarding environment.

The assessment includes the following:

- i) An interview, which includes the opportunity for each child to be present without their parent/carer
- ii) Information from the applicant's present school and/or previous school where the applicant is not currently at school or has recently changed school
- iii) Consideration of any other information that the parent/carer of the applicant may wish to provide to support the applicant's application or which may be provided at the request of the parent/carer by another person
- iv) Information provided by a LA (or equivalent authority outside England and Wales) where relevant

In determining whether or not an applicant is suitable to board, Gordon's School has regard to the following questions:

- Does the applicant wish to board?
- Does the applicant have experience of staying away from their parents/carers whether or not s/he is currently a boarder?
- Does the applicant show evidence of self-reliance and independence?
- Does the applicant show evidence of understanding and relishing the challenges of a communal life?
- Does the applicant show understanding of the responsibilities of being a member of a boarding community?
- Is there any medical or psychological reason why boarding would not be appropriate, or any need that could not be met by reasonable adjustment to the boarding accommodation, routine and practice?

A final decision on suitability for boarding will be made by the Head Teacher.

The school will inform the parent/carer of applicants whether or not their child is considered suitable for boarding. Applicants judged to be unsuitable for boarding will not be kept on a waiting list for another place.

iii. Main Admission Process

See application procedure above.

The school reserves the right to re-assess suitability for boarding at any time during the student's time at the school.

8. WAITING LISTS

Unsuccessful applicants can ask in writing for their child's name to be placed on the school's waiting lists. These lists will continue until 30 September 2019. The waiting lists will be maintained in the order of the over subscription criteria above.

9. SCHEDULE OF CHARGES

Please [click here](#) or see following pages for the Schedule of Boarding Charges which forms part of the Admissions Policy.
