NATIONAL APPRENTICESHIP WEEK

5th to 11th February

The 17th annual National Apprenticeship Week (NAW) 2024 aims to shine a light on the amazing work being done by apprentices, employers and their training providers across the country.

The theme for National Apprenticeship Week 2024 is 'Skills for Life'.

The annual week-long celebration of apprenticeships, taking place across England, will reflect on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.

A full schedule of events is planned in school for students and parents including a series of Careers Insight Talks from keynote speakers every day at 4pm in the Chapel. Students are permitted to miss their scheduled P7 if they choose to attend but must sign up via the links provided. Please read on to find out more.....

NATIONAL APPRENTICESHIP WEEK

5th to 11th February

CAREERS FAIR 2024

- What is the Careers Fair and why is it important?

Careers Fairs are an excellent way to meet employers and ask lots of questions. You can find out about different jobs, about the skills you might need or the salary you could earn. You might discover career opportunities within industries you'd not considered and the motivation to work harder in school. You even have the opportunity to ask about work experience. All our delegates are committed to sharing their experience and expertise in an informal setting to support students with their career learning journeys.

- Who will be represented?

This year will be our best ever with 30+ educators and industry professionals representing a wide range of sectors including finance, healthcare, hospitality, construction and infrastructure, public services and creative and media.

- Who can attend?

Every student in the school will attend the event during prep. A slot will be timetabled by year group and students will be accompanied to the Gym during prep. In addition, parents are invited to join to join their child for the event by booking a place before 4th February 2024 [here](#).

NATIONAL APPRENTICESHIP WEEK

5th to 11th February

CAREERS FAIR 2024

How do I make the most of it?

- Look through the organisations who will be represented in advance
- Research the companies and industry sectors that interest you
- Consider the roles our delegates hold within their organisations
- Plan who you want to speak to and make sure you seek them out on the day
- Be polite and confident about asking questions
- Follow up if you have made useful contacts. You may find an organisation willing to offer work experience or support with future enquiries you may have

Here are some questions you might like to ask:

- What do you like best about your job?
- What do you like best about your company?
- Describe your typical day
- What qualifications did you need?
- What advice do you have for students who want to enter your industry?

NATIONAL APPRENTICESHIP WEEK

5th to 11th February

CAREERS FAIR 2024

***** STUDENT COMPETITION *****

Be in the running to win £££'s

All our delegates will be asked to nominate the students with whom they have had the most engaging conversations or who have asked well informed questions.

All nominations will be entered into the prize draw to win five £20 Amazon vouchers!

To be in the running make sure you have done your research and carefully considered which organisations could best help you discover more about the career paths you are interested in.
