## **Parent Charter**

Gordon's School prides itself on having a positive relationship with all its stakeholders, and particularly with our very supportive parents. We believe it is important to:

- Work in partnership with parents to support their child's learning
- Create a safe, respectful and inclusive environment for students, staff and parents

To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the staff code of conduct) and students (through our behaviour policy).

This charter aims to help the school work together with parents by setting guidelines on appropriate behaviour.

### **Our expectations of parents and carers**

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our students
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Seek a peaceful solution to all issues
- Approach the right member of school staff to help resolve any issues of concern

### **Behaviour that will not be tolerated**

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches)
- Swearing, or using offensive language
- Displaying a temper, or shouting at members of staff, students or other parents
- Threatening another member of the school community
- Sending abusive messages to another member of the school community, including via text, email or social media
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms
- Any aggressive behaviour (including verbally or in writing) towards another child or adult

### **Breaching the charter**

If the school suspects, or becomes aware, that a parent has breached the charter, the school will gather information from those involved and speak to the parent about the incident.

Depending on the nature of the incident, the school may then:

- Send a warning letter to the parent
- Invite the parent into school to meet with a senior member of staff or the Head Teacher
- Contact the appropriate authorities (in cases of criminal behaviour)
- Ban the parent from the school site

The school will always respond to an incident in a proportional way. The final decision for how to respond to breaches of the charter rests with the Head Teacher.
