COMMUNICATION WITH PARENTS

Effective communication between the school and parents is vital. The following points outline the more important areas.

For most parents the first point of communication for pastoral issues at Gordon's will be your child's Houseparent or Head of House. For academic issues relating to a subject, please contact the Head of Department and for general academic issues, please contact your head of Key Stage.

For more serious matters you may wish to contact Miss Pierce, Deputy Head (Curriculum), Ms Carruthers, Deputy Head (Pastoral), or Mr Moss, Head Teacher.

Day-to-day information is communicated online. All students have a Bromcom Student portal account, which enables them to quickly access all key information relating to prep, timetables, rewards, sanctions, attendance and other similar matters in one place. Parents have their own My Child At School (MCAS) account, which is linked to their child, enabling parents to readily see the same information along with other communications, reports and their child's profile. Students will have access to their account after they join the school and parents can login following the instructions in the account setup email or on the school website.

All parents receive regular communications and details about school events. These cover aspects such as meetings, careers, forthcoming school productions, school trips and ceremonial events. We use 'Bromcom' for this - an email system for communicating with parents on a weekly basis. (Please do not reply direct to emails from the Bromcom system, but use contact details provided in notices or, for general school enquiries info@gordons.school)

The School website www.gordons.school gives details of a range of information, including calendar dates and sports fixtures.

We must stress that Gordon's very much operates an open door policy and parents are free to contact the school about any matters that concern them.

INFORMATION FROM THE HEAD

KEY DATES

Please find a current list of key dates below or please [click here](#) to see the dates on our website.

Certain weekends each term are designated "Exeats" when all students leave the school for a break - normally from Friday 1535 (residential boarders leave at 1600) to Sunday 1900. The School will be closed at this time.

PARADES

All main school students are expected to attend designated weekend Parades of which there are six a year, plus the Memorial Weekend and Annual Parade & Prize Giving. With over 100 years of ceremonial parades having taken place we do hope parents will support the School on these occasions. The parade dates can be found on our website by [clicking here](#).

Requests for permission to miss a parade **must** be put in writing **in advance** to the Head Teacher. This can be by letter or email to head@gordons.school

CHANGE OF ADDRESS

If you change your address please let us know in writing and address your letter or email to Mrs Jacqui George, Secretary to the Head Teacher jgeorge@gordons.school. You may prefer to use the 'Change of Contact Details' form through the parent section of the school [website](#).

Also, please be sure to tell us if your home or work contact numbers or emails change. This is especially important as we have an email system (Bromcom) for parents.

If one parent moves away from the family home and requires copies of day-to-day information and newsletters please keep us fully informed in writing. If circumstances are such that we are to stop sending information to a student's parent we will need a photocopy of the relevant legal document. Until then we will assume that all parents are entitled to information about their child.

MEDICAL

When the medical centre issue the appropriate information please complete and return the MEDICAL QUESTIONNAIRE and CONSENT FORM by the date requested. Residential boarders will not be allowed to reside in a Boarding House until the medical information has been received.

Subsequently, please keep the school medical staff informed of any new illness / injury / vaccinations relating to your child by emailing

medical-centre@gordons.school

or submitting the online 'Medical Information Update Form' on Gordon's School website medical page.

INFORMATION FROM THE HEAD

GUARDIANS FOR RESIDENTIAL BOARDERS

All residential boarders who normally live overseas, or parents who live sufficiently far away from the school that collecting their child at short notice is not possible are required to have at least one named guardian who has agreed to their appropriate duties and responsibilities. Further information and a form for parents to complete and return is included in the link with the forms to complete on the covering email when this pack is sent out.

When a guardian has been nominated we will send another form for guardians to complete and return to confirm they are taking on the guardian responsibility.

Should a student be unable to board overnight at school for any reason, the parents or a nominated guardian **must** be available at all times to collect the student and assume duty-of-care.

It is most important to keep the residential guardian information up to date. It is the responsibility of parent/s to inform the school of any temporary and permanent changes.

GORDONIANS

You will be receiving a letter from the Development office under separate cover regarding the developing and vibrant Gordon's Community which includes an alumni association (The Gordonians), the GSPA (Gordon's School Parents' Association) and the Friends of Gordon's.

POLICIES

Key Policies are available on the school website.

Please particularly refer to:-

- Taking Images of Children Policy (also included in this pack)
- Student and Parent Privacy Notice

HOME SCHOOL AGREEMENT

A home school agreement is included in this pack in the section with all the forms to return. Please ensure this is signed (a tick box will suffice as electronic consent) by the student and parent/carer before returning it to the school electronically.

DAY & RESIDENTIAL BOARDING HANDBOOK

A guide to Day and Residential Boarding can be found [here](#) which includes information on appearance in relation to body piercing and hair.

Aims and Ethos

More than the best possible examination results, a thorough preparation for life.

Our aim is to develop active global citizens: students with the confidence, character and capabilities to become the best they can be. To help and inspire all students to discover and develop their talents and interests to the highest standard possible, enjoy healthy lifestyles and make a positive contribution to the lives of others. Such students lead happier lives.

We believe:

- in modern ideas alongside traditional values;
- in a broad and balanced curriculum that promotes an academic and active life where students are immersed in a diverse range of activities and develop the knowledge, skills, attributes and behaviours necessary for success;
- in Gordon's principally as a centre for teaching and learning based on high standards and expectations, where students of all abilities learn, students enjoy learning and teachers enjoy teaching;
- in a House system and a disciplined environment without shortcuts as the best way to guarantee outstanding pastoral and academic care;
- that high performance without good character is not true success at all.

STUDENT IT DEVICE SCHEME

Student IT Device Scheme

CLASSROOM VISION

As part of our classroom vision we continue to transform the learning opportunities available to students with technology increasingly playing a crucial role in this. Therefore, we have an IT scheme in place that equips every student from Year 7 to 13 with their own individual IT device.

IT PROVISION

As part of the package students will receive:

- A Microsoft Surface Go Tablet (or similar) plus Keyboard for Years 7 to 11
- A Microsoft Surface Pro Laptop (or similar) for Years 12 to 13
- A suitable cover and charger
- Warranty and insurance (see device agreement below for further information)
- Microsoft office and a range of apps
- Full technical support from our onsite IT department including a replacement to use should the device require repairing
- Wireless connection to the internet at school
- A replacement tablet after 3 years of the scheme for Years 7 to 11 (will be replaced at the start of Year 10) on return of the original tablet
- An option to purchase the tablet at the end of Year 11 for £50.00
- An option to purchase the laptop at the end of Year 13 for £100.00

The device agreement form below lists all the terms and conditions of the scheme which needs to be read including the insurance information.

FREQUENTLY ASKED QUESTIONS

What happens if my son/daughter leaves before the end of Year 11 or 13?

As the products are leased, you would return the IT device to school; there will be an option to either purchase the device or simply return as long as the device is in good working order.

Will my son/daughter be able to access his/her schoolwork from home?

Students will have access to their user area (One Drive) where work saved on school computers in the cloud can be accessed. This access is cross-platform, enabling students to access files saved.

What happens if my son/daughter's tablet gets damaged, dropped, stops working or is stolen?

All of these scenarios are covered under the school insurance policy for which there is a £115 excess payable to the School for any claim. To make a claim you will need to complete an online insurance application form by contacting helpdesk@gordons.school and an insurance form will be emailed. The device will be repaired/replaced and a temporary device issued during this time.

There is a limit to 2 claims per student; in excess of this could result in additional charges and in some cases the full cost of the repairs being charged.

STUDENT IT DEVICE SCHEME

Please note: the insurance does not cover accidental loss. If for example, your son/daughter were to leave the device unattended and it disappeared, this would not be covered under the terms of the insurance policy and you would be liable for the cost of the device.

How will the IT device affect Prep?

Prep will increasingly be set electronically, therefore the device will be an invaluable tool to support prep by giving simple access to a variety of apps and internet resources.

Will my son/daughter spend all day looking at a screen?

As passionate as we are about the opportunities that IT offers, we are also keen to ensure that other important traditional skills such as writing, sketching and group discussions continue. The role of the IT device is to enhance and extend learning opportunities rather than replace those currently being used.

Can my son/daughter use their IT device at home?

Yes, we are keen to promote learning beyond the school gates so taking the tablet home is a key part of meeting this objective. Students will be able to use their device to access and complete Prep assignments. It will be the student's responsibility to ensure the device is fully charged for the next school day. There will not be facilities to charge the device in school for Day Boarders but there are charging units for the Residential Boarding Houses.

Can my son/daughter use their IT device during breaks or lunchtime?

We are keen to get the balance right in terms of students accessing technology. We are committed to ensuring that students do not become dependent on technology and can develop their interpersonal and social skills. In light of this, student access to their IT device will be strictly limited to learning time and only when directed by their teacher.

Will my son/daughter be able to install their own apps?

Yes but it will be within the School's filters, which will limit social media content. No VPN's are allowed to be added on the device and will be deleted.

What proportion of time will the IT device be used in a lesson?

This will vary from lesson to lesson. In some lessons the device may be used extensively for research, but in other lessons use of the device may not be relevant or appropriate. Likewise some lessons may use the device for a brief starter, or at the end for a plenary. The IT device will not replace teaching; devices will be used to diversify the range of effective learning and teaching strategies available to the teacher.

Will there be future charges for updates and new apps?

No, these costs will be covered as part of Gordon's School's commitment to the scheme.

Will IT devices become a distraction in class?

Effective classroom management is as important as ever when devices are being used. When devices are not in use they will be left face down on the table and in view of the teacher. We have clear expectations of our students when using IT and we are confident that these high standards will continue after individual devices are introduced.

STUDENT IT DEVICE SCHEME

What software will be on the IT devices and are they locked down?

The Gordon's School IT department will set up the devices via the school network ensuring they are compliant with Gordon's School IT policies and limiting access to students to only approved settings and apps etc. The devices will be managed by the School with the IT team ensuring the devices include MDM (mobile device management) to ensure that no school policies are breached, and that students are kept safe online.

What do I need to provide at home?

All you are required to provide is a suitable school bag for the device to be stored in and a place to charge the device ready for the school day. Many apps and features of the device work without Wi-Fi. Having Wi-Fi at home, however, will give access to additional features including the internet.

How will payments for the scheme be made?

Payments for the scheme will be added as follows:

- The cost of the IT device is included in the termly boarding charge
- For Year 11's there is a final cost of £50 per student for parents wishing to purchase the IT device chargeable on Summer Term invoice in Year 11
- For Year 13's there is a final cost of £100 per student for parents wishing to purchase the IT device chargeable on Summer Term invoice in Year 13

- Not decorate or customise the device and not to allow it to be subject to graffiti.

- Look after my own Health and Safety when using the device.
- Report any e-safety concerns to the IT Department or my Houseparent's/Head of House when they become apparent (this includes cyber-bullying and harassment etc.)
- Ensure I adhere to the school policies regarding artificial intelligence

The School is not responsible for and will not accept liability for:

- Crimes against the device or user covered by the Computer Misuse Act and amending legislation.
- Loss of personal data.
- Home banking/financial transaction issues.
- Use for illegal or immoral purposes.
- Uninsured losses and the first £115 (Surface Go's) or £125 (Surface Pro's) of any insurance claim

The IT device (plus software and accessories) remains the property of the School, even when it is at your home. It will be loaned to the named person for the duration of the period in which you are a student at the School with an option to buy the final device at the end of the period. - Surface Go with detachable keyboard for Years 7 to 11
- Protective named case
- A charger which must be returned with the device. A charge will apply for lost or damaged chargers

There may be occasions when a device needs to be returned to the school and/or for repair, and it may be necessary to completely remove all information on the product. We would therefore recommend regular backing-up of your work and data before handing it to IT staff.

The above terms and conditions may change from time to time, parents/guardians and users are expected to accept these changes as notified.

Student/User Agreement By accepting the device, the student and parents/guardians agree to abide by these terms in the use and care of the device.

TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

Taking, Storing and Using Images of Children Policy

This Policy

- This Policy is intended to provide information to students and their parents, carers or guardians (referred to in this policy as "parents") about how images of students are normally used by Gordon's School ("the school"). It also covers the school's approach to the use of cameras and filming equipment at school events and on school premises by parents and students themselves, and the media.

2. General points to be aware of

- Certain uses of images are necessary for the ordinary running of the school; other uses are in the legitimate interests of the school and its community and unlikely to cause any negative impact on children. The school is entitled lawfully to process such images and take decisions about how to use them, subject to any reasonable objections raised.
- Parents who accept a place for their child at the school are invited to indicate that they agree to the school using images of him/her as set out in this policy, [by signing a copy of the policy below] and/or from time to time if a particular use of the student's image is requested. However, parents should be aware of the fact that certain uses of their child's images may be necessary or unavoidable (for example if they are included incidentally in CCTV or a photograph).
- We hope parents will feel able to support the school in using student images to celebrate the achievements of students, sporting, artistic and academic; to promote the work of the school; and for important administrative purposes such as identification and security.
- Any parent who wishes to limit the use of images of a student for whom they are responsible should contact the Registrar in writing. The School will respect the wishes of parents/carers (and indeed students themselves) wherever reasonably possible, and in accordance with this policy.
- Parents should be aware that, from around the age of 12 and upwards, the law recognises students' own rights to have a say in how their personal information is used – including images.

3. Use of Student Images in School Publications

- Unless the relevant student or his or her parent has requested otherwise, the school will use images of its students to keep the school community updated on the activities of the school, and for marketing and promotional purposes, including:
 - on internal displays (including clips of moving images) on digital and conventional notice boards within the school premises;
 - in communications with the school community (parents, students, staff, Governors and alumni) including by email, on the School intranet and by post;

TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- on the school's website and, where appropriate, via the school's social media channels, e.g. Twitter, Instagram and Facebook. Such images would not normally be accompanied by the student's full name without permission; and
- in online, press and other external advertisements for the school. Such external advertising would not normally include student's names and in some circumstances the school will seek the parent or student's specific consent, depending on the nature of the image or the use.
- The source of these images will predominantly be the school's staff (who are subject to policies and rules in how and when to take such images), or a professional photographer used for marketing and promotional purposes, or occasionally students. The school will only use images of students in suitable dress and the images will be stored securely and centrally.

4. Use of Student Images for Identification and Security

- All students are photographed on entering the school and, thereafter, annually, for the purposes of internal identification. These photographs identify the student by name, year group, house and form/tutor group.
- CCTV is in use on the school premises, and will sometimes capture images of students. Images captured on the School's CCTV system are used in accordance with the Privacy Notice and CCTV Policy / any other information or policies concerning CCTV which may be published by the school from time to time.

5. Use of Student Images in the Media

- Where practicably possible, the school will always notify parents in advance when the media is expected to attend an event or school activity in which school students are participating, and will make every reasonable effort to ensure that any student whose parent or carer has refused permission for images of that student, or themselves, to be made in these circumstances are not photographed or filmed by the media, nor such images provided for media purposes.
- The media often asks for the names of the relevant students to go alongside the images, and these will be provided where parents have been informed about the media's visit and either the parent or student has consented as appropriate.

6. Security of Student Images

- Professional photographers and the media are accompanied at all times by a member of staff when on school premises. The school uses only reputable professional photographers and makes every effort to ensure that any images of students are held by them securely, responsibly and in accordance with the school's instructions.
- The school takes appropriate technical and organisational security measures to ensure that images of students held by the school are kept securely on school systems, and protected from loss or misuse. The school will take reasonable steps to ensure that members of staff only have access to images of students held by the school where it is necessary for them to do so.

TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- All staff are given guidance on the school's policy on Taking, Storing and Using Images of Students, and on the importance of ensuring that images of students are made and used responsibly, only for school purposes, and in accordance with school policies and the law.

7. Use of Cameras and Filming Equipment (including mobile phones) by Parents

- Parents, guardians or close family members (hereafter, parents) are welcome to take photographs of (and where appropriate, film) their own children taking part in school events, subject to the following guidelines, which the school expects all parents to follow:
 - When an event is held indoors, such as a play or a concert, parents should be mindful of the need to use their cameras and filming devices with consideration and courtesy for cast members or performers on stage and the comfort of others. Flash photography can disturb others in the audience, or even cause distress for those with medical conditions; the school therefore asks that it is not used at indoor events.
 - Parents are asked not to take photographs of other students, except incidentally as part of a group shot, without the prior agreement of that student's parents.
 - Parents are reminded that such images are for personal use only. Images which may, expressly or not, identify other students should not be made accessible to others via the internet (for example on Facebook), or published in any other way.
 - Parents are reminded that copyright issues may prevent the school from permitting the filming or recording of some plays and concerts. The school will always print a reminder in the programme of events where issues of copyright apply.
 - Parents may not film or take photographs in changing rooms or backstage during school productions, nor in any other circumstances in which photography or filming may embarrass or upset students.
- The school reserves the right to refuse or withdraw permission to film or take photographs (at a specific event or more generally), from any parent who does not follow these guidelines, or is otherwise reasonably felt to be making inappropriate images.
- The school sometimes records plays and concerts professionally (or engages a professional photographer or film company to do so), in which case CD, DVD or digital copies may be made available to parents for purchase. Parents of students taking part in such plays and concerts will be consulted if it is intended to make such recordings available more widely.

8. Use of Cameras and Filming Equipment by Students

- All students are encouraged to look after each other, and to report any concerns about the misuse of technology, or any worrying issues to a member of staff.
- The use of cameras or filming equipment (including on mobile phones) is not allowed in toilets, washing or changing areas, nor should photography or filming equipment be used by students in a manner that may offend or cause upset.

TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- The misuse of images, cameras or filming equipment in a way that breaches this Policy, or the school's Anti-Bullying Policy, Data Protection Policy, eSafety Policy, IT Acceptable Use Policy for Students, Safeguarding Policy or the School Rules is always taken seriously, and may be the subject of disciplinary procedures or dealt with under the relevant safeguarding policy as appropriate.

INSTRUMENTAL / SINGING LESSONS

Instrumental / Singing Lessons

TERMS AND CONDITIONS

We are pleased to be able to offer a variety of musical and dramatic arts tuition at Gordon's. These lessons are available in addition to classroom music which is part of the National Curriculum.

TUITION AVAILABLE

We encourage everyone to learn to play an instrument, but students need to remember that as well as gaining a great deal of pleasure and satisfaction from playing, hard work and regular practice are very important. Students will also need to catch up with any work missed from school lessons. Individual lessons are currently available on the following instruments:

Flute, oboe, clarinet, saxophone, trumpet, french horn, trombone and tuba (plus other brass instruments). Electric guitar, electric bass guitar, ukulele, drum kit, piano, violin, viola, cello, highland pipes and singing (contemporary, classical and musical theatre).

Marching drums tuition, prior to joining the Pipes and Drums Band, is available during Period 7.

COST

From September 2024 the charge for individual music lessons (30 mins. duration) is £290.00 for ten lessons. Shared lessons are only available for woodwind instruments and singing at a cost of £145.00 for ten lessons. The number of lessons offered may vary depending on the length of each term. The cost of music lessons will be charged to school bills in advance (except for the first term of Year 7).

Longer lessons (45 minutes or an hour) for those students taking higher grades are available on application, and are recommended for any student working towards Grade 8 or Diploma.

INSTRUMENTAL / SINGING LESSONS

PIPES AND DRUMS

The school is very keen to maintain the tradition of pipes and drums, and lessons on the highland pipes and snare drum are available at NO COST for four years on the recommendation of the Senior Pipe Major. Students need to have made sufficient progress in these lessons before joining the Pipes and Drum Band.

ADMINISTRATION – PLEASE READ CAREFULLY

Lessons are provided on a rota system where the time of each student's lesson changes each week to avoid them missing the same curriculum lesson. Usually, this system works very well. However, there will be times when their music lesson time clashes with another school commitment. Requests to change lesson times should be made at least 48 hours in advance and by 3.35pm on a Thursday for the following Monday. Requests for a change of lesson time received on the day of the lesson cannot be guaranteed. The onus lies with students to rearrange lessons they cannot attend due to other school commitments. Only in exceptional circumstances will refunds be made for missed lessons. All lessons where the teacher is present must be paid for regardless of whether the student attends. Half a term's notice, in writing from the bill payer, is required to cancel lessons. Please send this notification to the Music Department (music@gordons.school).

REPORTING

You will receive one mid-term report and one narrative report in the summer term from the instrumental / singing teacher. If you have concerns or queries in-between please contact the Music Department office and we will pass on your message to the relevant teacher.

SUPERVISED PRACTICE

For Residential Boarders and any other students who find it difficult to find time in the week or quiet space to practise we offer supervised practice sessions during and after prep and on Saturday afternoons. These sessions are staffed by one of our instrumental teachers who is available to help with all aspects of practice, aural training and accompaniments.

EXAMS

We will inform you if your child is ready to take an exam in their instrument and the entry and administration of this will be done through the Music Office. We use a variety of exam boards, depending on the type of tuition being received. The majority of exams are done in school with a visiting examiner, but it is sometimes necessary to take students out of school to a local exam centre. Where possible we will arrange transport in school, but occasionally we may need you to make arrangements to get your child to the exam centre. Where an exam requires a piano accompanist, we will endeavour to arrange this at school, although this may incur a further charge.

INSTRUMENT PROVISION

Your child may already be learning an instrument and wish to continue. Please complete the appropriate section on the Music Form. If you have already made a choice about the instrument your child wishes to start also complete the appropriate section. Please be aware that you will need to provide an instrument for

INSTRUMENTAL / SINGING LESSONS

your child. Dawkes Music in Maidenhead (01628 630800) and Chamberlain Music in Haslemere (01428 658806) have a range of instruments for hire. Please note you will not need to hire pianos or drum kits as students can use the school instruments.

ENSEMBLES

The Music Department has a wide range of instrumental and choral groups which rehearse before school, during the lunch hour, Period 7 or in Period 8. **Students who learn an instrument are expected to join in these activities and in the many regular concerts arranged throughout the year.**

I look forward to receiving your completed form.

School Book Club

In conjunction with the School Library facilities, we also run a Bookshop at the School.

We like to encourage our students to read as much as possible and ask you to give authorisation for your child to spend up to a specified amount each term. The amount they spend is added to the termly bill.

There are many occasions during the school year when books are available to buy, for instance at Book Fairs and during author visits, and we find that setting up an account is preferable for the school and your child.

To help you to set a limit, the average price of the books on sale is around £8.00, most parents set a limit of £10.00-£20.00 per term

Please complete and return the Bookclub form electronically to set up a Bookshop account for your child.

Guardians for Residential Boarders Policy

The core principle that guides everything we do is Putting Students First. For the purpose of this policy, the term 'guardian' refers to an educational guardian, rather than a legal guardian.

Parents living outside the UK, or parents who live sufficiently far away from the school that collecting their child at short notice is not possible, must nominate at least one guardian aged over 25 years, who is resident

permanently in the UK and who undertakes to be responsible for their child should s/he be required to leave the school for any reason at short notice, usually on the same day, during term. **This ensures there is somewhere for students to go in the event of a medical emergency or disciplinary matter necessitating withdrawal from the Residential House, so that the student may continue to attend the school as a Day Boarder without disruption to their education.**

A guardian acts as the parents' representative and is independent of the school. This does not change should the boarder turn 18 whilst s/he are here. The types of services guardians typically offer include arranging holiday or short-notice accommodation, airport transfers, attending parents' evenings and other school functions and generally supporting the students during their stay in the UK.

A guardian is vital should a student need extra support and advice in case of a medical emergency, a disciplinary matter or during any crisis or major incident. Guardians should be able to provide safe and suitable accommodation and appropriate care and supervision at these unexpected times. It is essential that both the parents and the persons appointed as guardians understand the commitment required. The joining pack form should be signed by all those with parental responsibility and the guardian will thereafter be requested to sign a separate agreement.

It is the parents' responsibility to appoint a guardian for their child. It is important to choose a responsible adult and one they feel confident will support their child in day-to-day circumstances, as well as in short notice emergencies. It is also worth considering the support the guardian will provide to the child in the absence of the parents such as emotional, academic and, if applicable, religious guidance.

Policy Aims

- To provide the parents (and the guardians they appoint) with a clear explanation of the school's expectations relating to guardianship.
- To provide the parents with a clear explanation of the responsibilities of the guardian they appoint.
- To make known to the parents that the school reserves the right to determine the acceptability of arrangements made for their child when they are residing out of school; should the arrangements prove unacceptable parents and guardians will be advised and given reasonable opportunity to change the arrangements.
- To provide an agreement for the registration of a guardian.
- To provide details on how communications between the school, parents and guardians will operate.

GUARDIANS FOR RESIDENTIAL BOARDERS POLICY

A Guardian

- May be a nominated relative or close family friend. Alternatively, an AEGIS-accredited guardian (www.aegisuk.net) should be appointed. AEGIS is a regulatory body that oversees guardianship companies and is an essential layer in the safeguarding of our students.
- Should be at least 25 years old and not in full-time education themselves. There is an emotional maturity attached to guardianship that needs to be present when dealing with emergency situations.
- Should not reside in university accommodation.
- Should be English speaking (it is not necessary for English to be a first language, but an appropriate level of fluency is required).
- Should have UK residency and live a reasonable travelling distance (under 1 hour) from the school by car or public transport.

Guardian Responsibilities

- A guardian should be able to help with any emergency decisions concerning the student if the parents are not immediately available.
- The guardian must be available in the event of an emergency (such as illness, serious misbehaviour or disrupted travel/ accommodation plans).
- Guardians of boarders flying as minors must meet the student at the airport on departure and arrival to collect him/ her from the airline and must fulfil the airline's requirements for receiving and releasing unaccompanied minors.
- A guardian must be able to invite the student to stay for holidays including exeat and half-term breaks when needed. No student may remain on the school premises during these times and the school cannot make arrangements for students at this time.
- Accommodation arranged by the guardian must be safe, appropriately supervised, and of a good standard. Regardless of age, we do not consider unsupervised hotel, B&B, hostel or rental accommodation acceptable. All arrangements, including full addresses and contact numbers, must be communicated with your child's House Parent.
- The guardian must provide their full contact details to the school and agree to keep us informed of any changes immediately. If the guardian is out of the country, or unavailable for any period, an alternative UK contact must be arranged, and details communicated to your child's House Parent. The school reserves the right to contact the guardian in the holidays to check arrangements are in place.
- If there is a change in guardian and an alternative appointed, the school must be informed in writing immediately.
- A guardian should be familiar with the school's rules, regulations and policies and support the school's aims and values.

Private Fostering Arrangement

- Should a child stay with their guardian (who is not a relative or legal guardian) for more than 28 consecutive days, the local authority must be informed so that they can process a private fostering arrangement.
- More information around private fostering in Surrey can be found here. N.B. Private fostering arrangements must be made in the county where the guardian and child are residing.
- Parents and guardians must inform the school when a private fostering arrangement is being made.
- The School has a duty to inform the local authorities should they become aware of a situation that requires a private fostering arrangement.

Procedure

- The appointment of guardians is the sole responsibility of the parents or family of the student.
- Guardians will preferably be a family member (not a parent) /close friend who, if possible, lives a reasonable distance from the school.
- Parents must sign the form below (Appendix 1) to say they understand the criteria for appointing a guardian.
- Guardians must sign the form below (Appendix 1) to acknowledge their responsibilities viz. that if the school contacts them and asks them to collect a student (e.g. because of illness or discipline) they will do so.
- No employee of Gordon's school, and no member of their family living in the same premises as the employee, may act as a guardian to a Gordon's student, since this could be, or could be perceived to be, a conflict of interest.
- Gordon's School is unable to recommend or appoint guardians but, if necessary, parents could contact AEGIS accredited guardian organisations. www.aegisuk.net
- Gordon's School will send a guardian Appointment Form for completion by the parents and also a declaration to the appointed guardian to be returned to the school.
- A copy of the form will be held by the school.

Please note that the choice of guardian is entirely the responsibility of the parent and the school accepts no legal responsibility for any guardianship arrangements. It is the parents' responsibility to ensure they have selected and are satisfied with a guardian of their choice. The school does, however, expect the guardianship arrangements to be satisfactory and to meet the expectations outlined in this document.

Residential Boarders

PARENTAL PERMISSIONS FOR RESIDENTIAL BOARDERS

Houseparent/s are most keen to ensure that students' lives at school are as full and satisfying as possible. To assist us with streamlining the administration would you please consider the following.

Subject teachers often organise trips related to their subject, which would be beneficial for students to attend. However, there may be limited places and it is therefore essential to reply to the initial letter as soon as possible. It would be very useful if parents of Full Boarders would consider giving their child's Houseparents written permission to sign on their behalf, thereby allowing the cost of the trip to be added to the bill, providing that the trip costs no more than £20.00.

Houseparent/s arrange outings for the Full Boarders at weekends and there are a wide variety organised by other members of staff. These may be to the cinema, a leisure centre or a place of interest where a cost of usually no more than £20.00 may be incurred for entry charges. Rather than use your child's pocket money for this, it would be useful if the cost of such a trip could be added to the bill.

Sometimes Full Boarders are invited out with friends' families or to stay overnight particularly at weekends. We ask parents to contact Houseparents to seek permission for this to happen and the House will then liaise with the 'hosts'. For further details regarding students leaving the site please see the appropriate Section of the Day & Residential Boarding Handbook.

Houseparent/s will continue to encourage the Residential Boarders to telephone, email and write to you with information, but we feel these arrangements will benefit everyone and ensure that your child will be able to make the most of the opportunities they are given. If you are agreeable to these arrangements please complete the appropriate forms and return them to the Houseparent/s.
