Bursaries

The Gordon Foundation operates a means-tested bursary programme to ensure that no family is precluded from applying for a Day or Residential Boarding place for financial reasons. Further details of the programme are available by contacting bursaries@gordons.school

Invoices and Finance Portal

Termly invoices are issued at the start of the holiday preceding each term and will be sent from Gordon's finance department via the finance portal financeportal@gordons.school. There is also a monthly payment scheme available.

Service families will receive their invoice earlier, in time to apply for the CEA (Continuity of Education Allowance) if applicable.

We also accept childcare vouchers, and some parents may be entitled to the new tax credit for childcare.

Payment Options

Termly payments: All boarding charges plus any extras (cost incurred on behalf of a student and paid for by Gordon's), are payable termly in advance, in full by the first day of term or by agreed monthly instalments as below. Full details of the methods of payment are listed on the invoice. Direct debit is being introduced for September 2025.

Monthly Payments: Although all charges are due on the first day of term, Gordon's offers a monthly payment option for parents. Under this arrangement the termly charges for the year are collected by 10 equal payments commencing on 1st September (or thereabouts) and monthly thereafter until 1st June following. There is no additional charge for this arrangement. Full details of the scheme including how to join are issued to parents during the Summer Term each year. Direct debit is being introduced for September 2025.

Invoices for any extras will be raised separately on a termly basis and are due for payment by the first day of term.

Please note that we never offer payment discounts, and our bank account details will not change without written notice.

Deposits

A deposit is required to secure residential boarding places as follows:

- **For UK-domiciled students:** a deposit of **£3,000** is required to secure a residential boarding place, of which £2,000 will be returned on the first term's invoice. This deposit is applicable to both internal and external students.

- **For overseas-domiciled students:** the deposit is **one term's full residential boarding charge** which will be credited, less **£1,000**, to the first term's invoice.
- **For CEA students:** a deposit of **£500** is required per child.

Any remaining deposit becomes refundable at the end of Year 11 if not staying on for Sixth form or at the end of Year 13 if continuing into Gordon's Sixth form (less any outstanding balances). It is only refundable earlier if a student is unable to join Year 12 or 13 because they have not met the entry criteria or if any of the offered courses is no longer available.

Notice Requirements

Should you wish to withdraw your child from the school, you must either give a clear term's notice or pay to the school a term's boarding charges in lieu of notice, at the rate due for that term.

If you wish to withdraw your child from an activity charged as an extra (e.g. music lessons, golf), you must either give a term's notice to that effect or pay to the school as a debt a term's charges for the activity your child has ceased to participate.

The school's affairs are organised on a termly basis and it is not possible to reduce the amount of the boarding charges or activity costs or to obtain a refund by withdrawing your child from school or by your child ceasing to participate in any activity part-way through a term.
