## COMMUNICATION WITH PARENTS

Effective communication between the school and parents is vital. The following points outline the more important areas.

For most parents the first point of communication for pastoral issues at Gordon's will be your child's Houseparent or Head of House. For academic issues relating to a subject, please contact the Head of Department and for general academic issues, please contact your head of Key Stage. Mr Greggor (KS3) or Mr Gallagher (KS4)

For more serious matters you may wish to contact Miss Pierce, Deputy Head (Curriculum), Ms Carruthers, Deputy Head (Pastoral), or Mr Moss, Head Teacher.

Day-to-day information is communicated online. All students have a Bromcom Student portal account, which enables them to quickly access all key information relating to prep, timetables, rewards, sanctions, attendance and other similar matters in one place. Parents have their own My Child At School (MCAS) account, which is linked to their child, enabling parents to readily see the same information along with other communications, reports and their child's profile. Students will have access to their account after they join the school and parents will receive an invitation from the School to join the Bromcom MCAS parent portal. MCAS can be accessed via a browser on a laptop or computer, or you can download the Parent App to your phone.

All parents receive regular communications and details about school events. These cover aspects such as meetings, careers, forthcoming school productions, school trips and ceremonial events. We use 'Bromcom' for this - an email system for communicating with parents on a weekly basis. (Please do not reply direct to emails from the Bromcom system, but use contact details provided in notices or, for general school enquiries [info@gordons.school](mailto:info@gordons.school))

The School website [www.gordons.school](http://www.gordons.school) gives details of a range of information, including calendar dates and sports fixtures.

SOCS is our dedicated online portal for all things related to school fixtures and Saturday school schedules. It is the most reliable and up-to-date source of information for parents giving information re. team sheets, locations and timings. Login details will be given in September.

We must stress that Gordon's very much operates an open door policy and parents are free to contact the school about any matters that concern them.

# INFORMATION FROM THE HEAD

## KEY DATES

Please find a current list of key dates below or please [click here](#) to see the dates on our website.

Certain weekends each term are designated "Exeats" when all students leave the school for a break - normally from Friday 1535 (residential boarders leave at 1600) to Sunday 1900. The School will be closed at this time.

## PARADES

**All** main school students are expected to attend designated weekend Parades of which there are up to 6 a year, plus the Memorial Weekend and Annual Parade & Prize Giving. These are formal events, with over 100 years of ceremonial parades having taken place, we do hope parents will support the School on these occasions. The parade dates can be found on our website by [clicking here](#).

Requests for permission to miss a parade **must** be put in writing **in advance** to the Head Teacher. This can be by letter or email to [head@gordons.school](mailto:head@gordons.school)

## CHANGE OF ADDRESS

If you change your address please let us know in writing and address your letter or email to Mrs Jacqui George, Secretary to the Head Teacher [jgeorge@gordons.school](mailto:jgeorge@gordons.school). You may prefer to use the 'Change of Contact Details' form through the parent section of the school [website](#).

Also, please be sure to tell us if your home or work contact numbers or emails change. This is especially important as we have an email system (Bromcom) for parents.

If one parent moves away from the family home and requires copies of day-to-day information and newsletters please keep us fully informed in writing. If circumstances are such that we are to stop sending information to a student's parent we will need a photocopy of the relevant legal document. Until then we will assume that all parents are entitled to information about their child.

## MEDICAL

**When the medical centre issue the appropriate information please complete and return the MEDICAL QUESTIONNAIRE and CONSENT FORM by the date requested. Residential boarders will not be allowed to reside in a Boarding House until the medical information has been received.**

Subsequently, please keep the school medical staff informed of any new illness / injury / vaccinations relating to your child by emailing [medical-centre@gordons.school](mailto:medical-centre@gordons.school) or submitting the online 'Medical Information Update Form' on Gordon's School website medical page.

## GUARDIANS FOR RESIDENTIAL BOARDERS

All residential boarders who normally live overseas, or parents who live sufficiently far away from the school that collecting their child at short notice is not possible are required to have at least one named guardian who has agreed to their appropriate duties and responsibilities.

# INFORMATION FROM THE HEAD

Further information and a link to the form for parents to complete is included in the covering email sent with this pack.

When a guardian has been nominated we will send another form for guardians to complete and return to confirm they are taking on the guardian responsibility.

Should a student be unable to board overnight at school for any reason, the parents or a nominated guardian **must** be available at all times to collect the student and assume duty-of-care.

It is most important to keep the residential guardian information up to date. It is the responsibility of parent/s to inform the school of any temporary and permanent changes.

## POLICIES

Key Policies are available on the school website.

Please particularly refer to:-

- Taking Images of Children Policy (also included in this pack)
- Student and Parent Privacy Notice

## HOME SCHOOL AGREEMENT

A home school agreement is included later in this pack and within the forms to return. Please ensure this is signed (a tick box will suffice as electronic consent) by the student and parent/carer before returning it to the school electronically.

## DAY & RESIDENTIAL BOARDING HANDBOOK

A guide to Day and Residential Boarding can be found [here](#).

## FURTHER INFORMATION

House information will be sent once Houses have been allocated – although all residential (full and weekly boarding) Year 7s will be joining Woolwich House.

All students new to the main school in **Year 7** and **Year 9** will be invited to a **'Moving On Day'** which is scheduled to take place on Tuesday 30 June 2026.

Please note that there will be a whole **New Student Induction Day** for **all** new Year 7 and Year 12 students on **Wednesday 2 September 2026**. Further details to follow in due course.

## Aims and Ethos

**More than the best possible examination results, a thorough preparation for life.**

Our aim is to develop active global citizens: students with the confidence, character and capabilities to become the best they can be. To help and inspire all students to discover and develop their talents and interests to the highest standard possible, enjoy healthy lifestyles and make a positive contribution to the lives of others. Such students lead happier lives.

We believe:

- in modern ideas alongside traditional values;
- in a broad and balanced curriculum that promotes an academic and active life where students are immersed in a diverse range of activities and develop the knowledge, skills, attributes and behaviours necessary for success;
- in Gordon's principally as a centre for teaching and learning based on high standards and expectations, where students of all abilities learn, students enjoy learning and teachers enjoy teaching;
- in a House system and a disciplined environment without shortcuts as the best way to guarantee outstanding pastoral and academic care;
- that high performance without good character is not true success at all.

## CEREMONIAL UNIFORM (“BLUES”)

The School supplies to each student and maintains the full ceremonial uniform, which comprises the following;

- 1 pair Gordon Tartan Trews or Kilt
- 1 Blue Tunic
- 1 Glengarry or Tam o' Shanter
- 1 pair of red flashes (for use with 'piper's green' socks – parents to buy for girls from Valentino's)

We also have Gordon's branded shoe polishing kits which can be used for your parade shoes, as well as Gordon's suit carriers, available to purchase from the Gordon's online shop. <https://www.gordons.school/school-shop>

Those students who are members of the Band are supplied with all Band Highland Uniform and accoutrements. NOTE: Alterations to ceremonial uniform remain the sole responsibility of the school and are NOT to be undertaken by any other agency.

Please note that the ceremonial uniform is an exclusive garment to the school and only ever on loan to students to wear on ceremonial occasions. Blues will be issued to students during the first half of the Autumn Term and need to be looked after. They are unique, expensive and very difficult to replace. For this reason, a charge will be made to parents for any items damaged, lost or not returned.

Throughout the year students can exchange items that no longer fit at swap shops which are held at school. Details of dates and times will be announced through the weekly bulletin.

## SECOND HAND UNIFORM

# STUDENT IT DEVICE SCHEME

## Student IT Device Scheme

### CLASSROOM VISION

As part of our classroom vision, we continue to transform the learning opportunities available to students with technology increasingly playing a crucial role in this. Therefore, we have an IT scheme in place that equips every student from Year 7 to 13 with their own individual IT device. Please note, we expect students to use these devices and personal laptops / tablets are not permitted as they circumnavigate our safeguarding procedures.

### IT PROVISION

As part of the package students will receive:

- A Microsoft Surface Go Tablet (or similar) plus Keyboard for Years 7 to 11
- A Microsoft Surface Pro Laptop (or similar) for Years 12 to 13
- A suitable cover and charger
- Warranty and insurance (see device agreement below for further information)
- Microsoft office and a range of apps
- Full technical support from our onsite IT department including a replacement to use should the device require repairing
- Wireless connection to the internet at school
- A replacement tablet after 3 years of the scheme for Years 7 to 11 (will be replaced at the start of Year 10) on return of the original tablet
- An option to purchase the tablet at the end of Year 11 for £50.00
- An option to purchase the laptop at the end of Year 13 for £100.00

The device agreement form below lists all the terms and conditions of the scheme which needs to be read including the insurance information.

Please Note: Year 7-9 Students will only be able to use their emails for contacting teachers. There will be no access to email other students or external email addresses through the school tablets.

### FREQUENTLY ASKED QUESTIONS

#### **What happens if my son/daughter leaves before the end of Year 11 or 13?**

As the products are leased, you would return the IT device to school; there will be an option to either purchase the device or simply return as long as the device is in good working order.

#### **Will my son/daughter be able to access his/her schoolwork from home?**

Students will have access to their user area (One Drive) where work saved on school computers in the cloud can be accessed. This access is cross-platform, enabling students to access files saved.

#### **What happens if my son/daughter's tablet gets damaged, dropped, stops working or is stolen?**

# STUDENT IT DEVICE SCHEME

All of these scenarios are covered under the school insurance policy for which there is a £115 to £125 excess payable to the School for any claim. To make a claim you will need to complete an online insurance application form by contacting [helpdesk@gordons.school](mailto:helpdesk@gordons.school) and an insurance form will be emailed. The device will be repaired/replaced and a temporary device issued during this time.

There is a limit to 2 claims per student; in excess of this could result in additional charges and in some cases the full cost of the repairs being charged.

Please note: the insurance does not cover accidental loss. If for example, your son/daughter were to leave the device unattended and it disappeared, this would not be covered under the terms of the insurance policy and you would be liable for the cost of the device.

## **How will the IT device affect Prep?**

Prep will increasingly be set electronically, therefore the device will be an invaluable tool to support prep by giving simple access to a variety of apps and internet resources.

## **Will my son/daughter spend all day looking at a screen?**

As passionate as we are about the opportunities that IT offers, we are also keen to ensure that other important traditional skills such as writing, sketching and group discussions continue. The role of the IT device is to enhance and extend learning opportunities rather than replace those currently being used.

## **Can my son/daughter use their IT device at home?**

Yes, we are keen to promote learning beyond the school gates so taking the tablet home is a key part of meeting this objective. Students will be able to use their device to access and complete Prep assignments. It will be the student's responsibility to ensure the device is fully charged for the next school day. There will not be facilities to charge the device in school for Day Boarders but there are charging units for the Residential Boarding Houses.

## **Can my son/daughter use their IT device during breaks or lunchtime?**

We are keen to get the balance right in terms of students accessing technology. We are committed to ensuring that students do not become dependent on technology and can develop their interpersonal and social skills. In light of this, student access to their IT device will be strictly limited to learning time and only when directed by their teacher.

## **Will my son/daughter be able to install their own apps?**

Yes but it will be within the School's filters, which will limit social media content. No VPNs are allowed to be added on the device and will be deleted.

## **What proportion of time will the IT device be used in a lesson?**

This will vary from lesson to lesson. In some lessons the device may be used extensively for research, but in other lessons use of the device may not be relevant or appropriate. Likewise some lessons may use the device for a brief starter, or at the end for a plenary. The IT device will not replace teaching; devices will be used to diversify the range of effective learning and teaching strategies available to the teacher.

## **Will there be future charges for updates and new apps?**

No, these costs will be covered as part of Gordon's School's commitment to the scheme.

# STUDENT IT DEVICE SCHEME

## **Will IT devices become a distraction in class?**

Effective classroom management is as important as ever when devices are being used. When devices are not in use they will be left face down on the table and in view of the teacher. We have clear expectations of our students when using IT and we are confident that these high standards will continue after individual devices are introduced.

## **What software will be on the IT devices and are they locked down?**

The Gordon's School IT department will set up the devices via the school network ensuring they are compliant with Gordon's School IT policies and limiting access to students to only approved settings and apps etc. The devices will be managed by the School with the IT team ensuring the devices include MDM (mobile device management) to ensure that no school policies are breached, and that students are kept safe online.

## **What do I need to provide at home?**

All you are required to provide is a suitable school bag for the device to be stored in and a place to charge the device ready for the school day. Many apps and features of the device work without Wi-Fi. Having Wi-Fi at home, however, will give access to additional features including the internet.

## **How will payments for the scheme be made?**

Payments for the scheme will be added as follows:

- The cost of the IT device is included in the termly boarding charge
- For Year 11's there is a final cost of £50 per student for parents wishing to purchase the IT device chargeable on Summer Term invoice in Year 11
- For Year 13's there is a final cost of £100 per student for parents wishing to purchase the IT device chargeable on Summer Term invoice in Year 13

## **Any further questions?**

If you have any further questions please contact Jennifer Taylor – Finance & Operations Director – on [finance@gordons.school](mailto:finance@gordons.school) or call 01276 858084.

- Look after my own Health and Safety when using the device.
- Report any e-safety concerns to the IT Department or my Houseparent's/Head of House when they become apparent (this includes cyber-bullying and harassment etc.)

The IT device (plus software and accessories) remains the property of the School, even when it is at your home. It will be loaned to the named person for the duration of the period in which you are a student at the School with an option to buy the final device at the end of the period. It is possible that, after a period of time your device will be replaced, and if so a replacement one issued. You will be issued with:

- Surface Go with detachable keyboard for Years 7 to 11
- Protective named case
- A charger which must be returned with the device. A charge will apply for lost or damaged chargers

# STUDENT IT DEVICE SCHEME

There may be occasions when a device needs to be returned to the school and/or for repair, and it may be necessary to completely remove all information on the product. We would therefore recommend regular backing-up of your work and data before handing it to IT staff.

The above terms and conditions may change from time to time, parents/guardians and users are expected to accept these changes as notified.

# TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

## Taking, Storing and Using Images of Children Policy

### 1. This Policy

- This Policy is intended to provide guidance to staff and information to students and their parents, carers or guardians (referred to in this policy as "parents") about how images of students are normally used by Gordon's School ("the school"). It also covers the school's approach to the use of cameras, video and filming equipment at school events and on school premises by parents and students themselves, and the media.
- It applies alongside any individual parent or student consent forms provided, and should be understood in the context of any other information the school may provide from time to time about a particular use of student images, including e.g. signage about the use of CCTV; and more general information about use of students' personal data in the school's Privacy Notice.
- Safeguarding and online safety issues are more specifically dealt with under the school's relevant safeguarding policies.
- Staff are additionally subject to their own training (in accordance with their role) and school policies in this area, including under the Staff Handbook.

### 2. General principles of image use

- Certain uses of images, including student images, are necessary for the ordinary running of the school for example, for administration, identification, educational and curricular purposes, It may not be possible to object to such uses, although any concerns in this regard will be duly considered by the school.
- Other uses are considered to be in the legitimate interests of the school and its community and unlikely to cause any negative impact on children. The school is entitled lawfully to process such images and take decisions about how to use them, although objections may be raised and the school will seek to accommodate any reasonable concerns. Examples are given in this policy.
- We hope parents will feel able to support the school in using student images to celebrate the achievements of students, sporting and academic; to promote the work of the school; and for important administrative purposes such as identification and security. However, for any uses of images which might be considered more intrusive or unexpected – examples of which are set out further in this Policy – we will seek specific consent from parents and, as appropriate, students.
- Parents who accept a place for their child at the school are invited to indicate that they agree to the school using images of them as set out in this policy, via the relevant form and/or from time to time if a particular use of the student's image is requested. However, parents should be aware that certain uses of their child's images may continue to be necessary for example, administration, education or security or will be unavoidable [(for example if they are included incidentally in CCTV or as a part of a whole-school photograph).

# TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- Any parent who wishes to limit the use of images of a student for whom they are responsible should contact the Registrar in writing. The school will respect the wishes of parents/carers (and indeed students themselves) wherever reasonably possible, and in accordance with this policy.
- Parents should be aware that, from around the age of 12 and upwards, the law recognises students' own rights to have a say in how their personal information is used – including images.
- Where remote video provision for students (via e.g. Zoom or Teams) is necessary, whether for co-curricular lessons or e.g. counselling, the school will follow its policies in respect of monitoring, recording and retention of such sessions (along with policies on appropriate dress and supervision).

### 3. Use and publication of certain student images

- In accordance with any consents, notices or objections as may be applicable from time to time, the school will use images of its students to keep the school community updated on the activities of the school, and for marketing and promotional purposes, including:
  - on internal displays and notice boards within the school premises;
  - as part of the school's email system and intranet, and in appropriate communications by whatever means with the school community (parents, students, staff, Governors and alumni);
  - as part of school curricular activities or co-curricular activities;
  - in printed material, such as school magazines and printed marketing material, including the school's prospectus];
  - on the school's website and, where appropriate and in line with relevant policies, via the school's social media channels e.g. X (formerly) Twitter, LinkedIn, Instagram and Facebook; and
  - in the press and other external advertisements for the school.
- The school's policy in respect of the above uses is as follows:
  - **Legitimate interests** will be relied upon for any uses which are either essential (for example, security, administration and education) or which fall within a scope of reasonably expected uses. Reasonably expected uses include via internal school or parent communications, on the intranet or in other closed community groups, in printed material such as a school magazine or prospectus, or any uses whereby an individual child cannot reasonably be identified by someone outside the school community: for example, where their face cannot clearly be seen.

# TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- The key effect of the school relying on legitimate interests is that parents and students may be entitled to object to such uses, although their specific consent will not be sought beforehand. Any objections will be duly considered by the school, but objections can be overridden by other factors: for example, uses which the school considers essential; or uses which create little or no risk of harm (including where children are not at risk of outside identification).
- **Consent** will be sought for all other external uses of student images online. In particular, where any intended use is more intrusive or unexpected – for example, if a child is the focus of the image and their face can clearly be seen – the school will discuss the use with the student or parents (as appropriate) in advance and seek a specific, *ad hoc* consent.
- The school will take reasonable steps following any objection or withdrawal of consent but may not be able to recall or destroy printed materials. Any particular concerns or vulnerabilities relating to a student or their family should be drawn to the school's attention in advance. The safeguarding and best interests of students will remain the school's priorities at all times.

## 4. Use of Student Images for Identification and Security

- All students are photographed on entering the school and, thereafter, at yearly intervals, for the purposes of internal identification. These photographs identify the student by name, year group, house and tutor group.]
- CCTV is in use on school premises, and in certain cases is likely to capture images of students. Images captured on the school's CCTV system are used in accordance with the Privacy Notice and CCTV Policy and the location of cameras will be clearly notified, including by signage.

## 5. Use of Student Images by external Media

- Where practicably possible, the school will always notify parents in advance when the media is expected to attend an event or school activity in which school students are participating, and will make every reasonable effort to ensure that any student whose parent or carer has refused permission for images of that student, or themselves, to be made in these circumstances are not photographed or filmed by the media, nor such images provided for media purposes.
- The media may ask for the names of the relevant students to go alongside the images. It is not the School's policy to provide full or first names in this scenario, and these will only be provided where parents have been informed about the media's visit and either parent or student has specifically consented to the sharing of their name, for an appropriate and necessary purpose.

# TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

## 6. Security of Student Images

- Professional photographers and the media are accompanied at all times by a member of staff when on school premises. The school uses only reputable professional photographers and makes every effort to ensure that any images of students are in suitable dress and held by such persons securely, responsibly and in accordance with the school's instructions.
- The school takes appropriate technical and organisational security measures to ensure that images of students held by the school are kept securely on school systems, and protected from loss or misuse. The school will take reasonable steps to ensure that members of staff only have access to images of students held by the school where it is necessary for them to do so.
- Any external processors of student images are engaged only for lawful purposes consistent with those set out in this policy, and subject to proper due diligence and contractual protections.
- All staff are given guidance on the school's Policy on Taking, Storing and Using Images of Students, and on the importance of ensuring that images of students are made and used responsibly, only for school purposes, and in accordance with school policies and the law.
- Students are also given mandatory and age-appropriate training on their own privacy online and with their peers, including image use and social media safety.

## 7. Use of Cameras and Filming Equipment (including mobile phones) by Parents

- Parents, guardians or close family members (hereafter, parents) are welcome to take photographs of (and where appropriate, film) their own children taking part in school events, subject to the following guidelines, which the school expects all parents to follow:
  - When an event is held indoors, such as a play or a concert, parents should be mindful of the need to use their cameras and filming devices with consideration and courtesy for cast members or performers on stage and the comfort of others. Flash photography can disturb others in the audience, or even cause distress for those with medical conditions; the school therefore asks that it is not used at indoor events.
  - Parents are asked not to take photographs of other students, except incidentally as part of a group shot, without the prior agreement of that student's parents.
  - Parents are reminded that such images are for personal use only. Images which may, expressly or not, identify other students should not be made accessible to others online (for example on Facebook, Instagram or by text or WhatsApp), or published in any other way.

# TAKING, STORING AND USING IMAGES OF CHILDREN POLICY

- Parents are reminded that copyright issues may prevent the school from permitting the filming or recording of some plays and concerts. The school will always print a reminder in the programme of events where issues of copyright apply.
- Parents may not film or take photographs in changing rooms or backstage during school productions, nor in any other circumstances in which photography or filming may embarrass or upset students, by reference to their dress or activity or any other factor.
- The school reserves the right to refuse or withdraw permission to film or take photographs, at a specific event or more generally, either for all attendees/parents (e.g. where a safeguarding risk to an individual child has been identified) or from any individual parent who does not follow these guidelines, or is otherwise reasonably felt to be making inappropriate images.
- The school sometimes records plays and concerts professionally (or engages a professional photographer or film company to do so), in which case physical or digital copies may be made available to parents for purchase. Parents of pupils taking part in such plays and concerts will be consulted if it is intended to make such recordings available more widely.
- Should remote video provision at home (by Zoom, teams or otherwise) be required or facilitated by the school in any context, specific guidelines and instructions will be provided to ensure privacy and safety, including around dress and recording of video.

## 8. Use of Cameras and Filming Equipment by Students

- All students are encouraged to look after each other, and to report any concerns about the misuse of technology, or any worrying issues to a member of staff.
- The use of cameras or filming equipment (including on mobile phones) is not allowed in toilets, washing or changing areas, nor should photography or filming equipment be used by students in a manner that may offend or cause upset.
- The misuse of images, cameras or filming equipment in a way that breaches this Policy, or the school's Anti-Bullying Policy, Data Protection Policy, eSafety Policy, IT Acceptable Use Policy for Students, Safeguarding Policy or the School Rules is always taken seriously, and may be the subject of disciplinary procedures or dealt with under the relevant safeguarding policy as appropriate.

## School Book Club

In conjunction with the School Library facilities, we also run a Bookshop at the School.

We like to encourage our students to read as much as possible and ask you to give authorisation for your child to spend up to a specified amount each term. The amount they spend is added to the termly bill.

There are many occasions during the school year when books are available to buy, for instance at Book Fairs and during author visits, and we find that setting up an account is preferable for the school and your child.

To help you to set a limit, the average price of the books on sale is around £8.00, most parents set a limit of £10.00-£20.00 per term

Please complete and return the Bookclub form electronically to set up a Bookshop account for your child.

## Home School Agreement – Main School

This home-school agreement is seen as an important partnership between the school, its parents and its students which enables a successful education.

3. give back to the school, House and local community;
4. connect with others and maintain good healthy relationships;

The School's Commitment:

The School agrees to ensure that each student:

I Agree

I Disagree

# HOME SCHOOL AGREEMENT – MAIN SCHOOL

If you disagree with any of the following then we will require you to discuss further with a member of the Senior Leadership Team and will contact you accordingly.

**1) Gordon's** operates a significantly stricter than average **behaviour policy** that includes a strict dress / hair code. Only a decision to permanently exclude can be overturned by the Governing Body or any third party, all other decisions are entirely at the discretion of the school and based on the school's view on probability rather than proving a case beyond reasonable doubt. By ticking this box you are accepting these facts and trusting that the school, even in disciplinary action against your son/daughter, is acting responsibly and as they must in the best interests of the wider community.

School Detention on a Friday runs from 4.45pm to 5.45pm and takes priority over other internal / external commitments.

**2) Parental support** for disciplinary action. Student behaviour deteriorates where parents openly back their son/daughter without first speaking to the school privately. By ticking this box you are agreeing to support school decisions in front of your son/daughter and when you have concerns discuss these with the school in private.

**3) Parental support** for disciplinary action. The school is unable to accommodate parents requests to change the date or time of sanctions. By ticking this box you are agreeing to support school decisions in front of your son/daughter and when you have concerns discuss these with the school in private.

**4) Parades and ceremonial activities.** Weekend parades and Friday drill practice are part and parcel of being a member of the Gordon's community. In ticking the below box you are undertaking to ensure to plan around parade days and ensure your son/daughter represents the school on these occasions, whether or not they want to and throughout their GCSE years

**5) Sport and activities.** Competitive team sport and other out of class activities promotes a healthy body, good mental health, discipline and social skills, which in turn aid academic performance and successful careers. By ticking this box you are accepting these benefits and undertaking that your son/daughter will represent the school when selected for a team, whether or not they want to and ahead of any commitment to other clubs or organisations. Exceptions are made for county and national level representation.

**6) Attendance.** Gordon's operates a 7 period day and Saturday morning programme, which is compulsory unless the school has agreed to permit an out-of-school activity, in advance. By ticking this box you are agreeing to this and accepting that absence from any period above is likely to result in a sanction.

**7) Absence.** All absence from school Periods 1-7 and Saturdays must be authorised. With the exception of Saturdays, all absence requests should go to [absence@gordons.school](mailto:absence@gordons.school)

# HOME SCHOOL AGREEMENT – MAIN SCHOOL

Saturday absence requests should be sent to Director of Co-Curricular [rrowlands@gordons.school](mailto:rrowlands@gordons.school) and [absence@gordons.school](mailto:absence@gordons.school). All reasonable effort is made to accommodate a legitimate absence from school.

Parade absences should go to the Head via Jacqui George, Head's PA, [jgeorge@gordons.school](mailto:jgeorge@gordons.school)

By ticking this box, you are agreeing to seek authorisation for all absences and abide by the school's decision or enter into a dialogue with the school if you feel unable to do so.

**8) Choice.** Whilst every effort is made to listen to students' and parents' views, final decisions, whilst students are in our care 8am to 5pm each day (and Saturday mornings) for day boarders and all-day for residential boarders, rest with the school. By ticking this box you are accepting that your son/daughter, even if they disagree, must do as the school asks and not as they please.

**9) Courtesy.** By ticking this box you are agreeing to abide by the Parents' Charter and treat all members of staff, students and fellow parents as you would wish to be treated.

**10) Complaints.** By ticking this box you are agreeing to try and resolve issues with subject teachers, Heads of Department or Heads of Houses and where issues remain unresolved follow the published Complaints Policy.

**11) Uniform expectations.** All students are expected to abide by our uniform expectations as laid out in the Boarding Handbook. This includes top buttons done up, shirts tucked in and skirts of an appropriate length until 6.15pm and when representing the school. Students may wear Gordon's branded PE kit in prep from 6.15pm until 7.30pm. Any student where there are concerns regarding behaviour or appearance may expect sanctions.

PE kit must be current and no legacy items are acceptable. Current items are shown on the website.

By ticking this box, you are agreeing to the above.

**12) Contact details.** We may need to contact you in an emergency. By ticking this box you are taking responsibility to keep the school informed about any change in family circumstances, including medical issues and contact details.

# GUARDIANS FOR RESIDENTIAL BOARDERS POLICY

## Guardians for Residential Boarders Policy

The core principle that guides everything we do is Putting Students First. For the purpose of this policy, the term 'guardian' refers to an educational guardian, rather than a legal guardian.

Parents living outside the UK, or parents who live sufficiently far away from the school that collecting their child at short notice is not possible, must nominate at least one guardian aged over 25 years, who is resident permanently in the UK and who undertakes to be responsible for their child should s/he be required to leave the school for any reason at short notice, usually on the same day, during term. **This ensures there is somewhere for students to go in the event of a medical emergency or disciplinary matter necessitating withdrawal from the Residential House, so that the student may continue to attend the school as a Day Boarder without disruption to their education.**

A guardian acts as the parents' representative and is independent of the school. This does not change should the boarder turn 18 whilst s/he are here. The types of services guardians typically offer include arranging holiday or short-notice accommodation, airport transfers, attending parents' evenings and other school functions and generally supporting the students during their stay in the UK.

A guardian is vital should a student need extra support and advice in case of a medical emergency, a disciplinary matter or during any crisis or major incident. Guardians should be able to provide safe and suitable accommodation and appropriate care and supervision at these unexpected times. It is essential that both the parents and the persons appointed as guardians understand the commitment required. The joining pack form should be signed by all those with parental responsibility and the guardian will thereafter be requested to sign a separate agreement.

It is the parents' responsibility to appoint a guardian for their child. It is important to choose a responsible adult and one they feel confident will support their child in day-to-day circumstances, as well as in short notice emergencies. It is also worth considering the support the guardian will provide to the child in the absence of the parents such as emotional, academic and, if applicable, religious guidance.

### **Policy Aims**

- To provide the parents (and the guardians they appoint) with a clear explanation of the school's expectations relating to guardianship.
- To provide the parents with a clear explanation of the responsibilities of the guardian they appoint.
- To make known to the parents that the school reserves the right to determine the acceptability of arrangements made for their child when they are residing out of school; should the

arrangements prove unacceptable parents and guardians will be advised and given reasonable opportunity to change the arrangements.

- To provide an agreement for the registration of a guardian.
- To provide details on how communications between the school, parents and guardians will operate.

## **A Guardian**

- May be a nominated relative or close family friend. Alternatively, an AEGIS-accredited guardian ([www.aegisuk.net](http://www.aegisuk.net)) should be appointed. AEGIS is a regulatory body that oversees guardianship companies and is an essential layer in the safeguarding of our students.
- Should be at least 25 years old and not in full-time education themselves. There is an emotional maturity attached to guardianship that needs to be present when dealing with emergency situations.
- Should not reside in university accommodation.
- Should be English speaking (it is not necessary for English to be a first language, but an appropriate level of fluency is required).
- Should have UK residency and live a reasonable travelling distance (under 1 hour) from the school by car or public transport.

## **Guardian Responsibilities**

- A guardian should be able to help with any emergency decisions concerning the student if the parents are not immediately available.
- The guardian must be available in the event of an emergency (such as illness, serious misbehaviour or disrupted travel/ accommodation plans).
- Guardians of boarders flying as minors must meet the student at the airport on departure and arrival to collect him/ her from the airline and must fulfil the airline's requirements for receiving and releasing unaccompanied minors.
- A guardian must be able to invite the student to stay for holidays including exeat and half-term breaks when needed. No student may remain on the school premises during these times and the school cannot make arrangements for students at this time.
- Accommodation arranged by the guardian must be safe, appropriately supervised, and of a good standard. Regardless of age, we do not consider unsupervised hotel, B&B, hostel or rental accommodation acceptable. All arrangements, including full addresses and contact numbers, must be communicated with your child's House Parent.
- The guardian must provide their full contact details to the school and agree to keep us informed of any changes immediately. If the guardian is out of the country, or unavailable for any period, an alternative UK contact must be arranged, and details communicated to your child's House Parent.

# GUARDIANS FOR RESIDENTIAL BOARDERS POLICY

The school reserves the right to contact the guardian in the holidays to check arrangements are in place.

- If there is a change in guardian and an alternative appointed, the school must be informed in writing immediately.
- A guardian should be familiar with the school's rules, regulations and policies and support the school's aims and values.

## **Private Fostering Arrangement**

- Should a child stay with their guardian (who is not a relative or legal guardian) for more than 28 consecutive days, the local authority must be informed so that they can process a private fostering arrangement.
- More information around private fostering in Surrey can be found here. N.B. Private fostering arrangements must be made in the county where the guardian and child are residing.
- Parents and guardians must inform the school when a private fostering arrangement is being made.
- The School has a duty to inform the local authorities should they become aware of a situation that requires a private fostering arrangement.

## **Procedure**

- The appointment of guardians is the sole responsibility of the parents or family of the student.
- Guardians will preferably be a family member (not a parent) /close friend who, if possible, lives a reasonable distance from the school. (under 1 hour)
- Parents must sign the form below (Appendix 1) to say they understand the criteria for appointing a guardian.
- Guardians must sign the form below (Appendix 1) to acknowledge their responsibilities viz. that if the school contacts them and asks them to collect a student (e.g. because of illness or discipline) they will do so.
- No employee of Gordon's school, and no member of their family living in the same premises as the employee, may act as a guardian to a Gordon's student, since this could be, or could be perceived to be, a conflict of interest.
- Gordon's School is unable to recommend or appoint guardians but, if necessary, parents could contact AEGIS accredited guardian organisations. [www.aegisuk.net](http://www.aegisuk.net)
- Gordon's School will send a guardian Appointment Form for completion by the parents and also a declaration to the appointed guardian to be returned to the school.
- A copy of the form will be held by the school.

# GUARDIANS FOR RESIDENTIAL BOARDERS POLICY

**Please note that the choice of guardian is entirely the responsibility of the parent and the school accepts no legal responsibility for any guardianship arrangements. It is the parents' responsibility to ensure they have selected and are satisfied with a guardian of their choice. The school does, however, expect the guardianship arrangements to be satisfactory and to meet the expectations outlined in this document.**

## Residential Boarders

### PARENTAL PERMISSIONS FOR RESIDENTIAL BOARDERS

Houseparent/s are most keen to ensure that students' lives at school are as full and satisfying as possible. To assist us with streamlining the administration would you please consider the following.

Subject teachers often organise trips related to their subject, which would be beneficial for students to attend. However, there may be limited places and it is therefore essential to reply to the initial letter as soon as possible. It would be very useful if parents of Full Boarders would consider giving their child's Houseparents written permission to sign on their behalf, thereby allowing the cost of the trip to be added to the bill, providing that the trip costs no more than £20.00.

Houseparent/s arrange outings for the Full Boarders at weekends and there are a wide variety organised by other members of staff. These may be to the cinema, a leisure centre or a place of interest where a cost of usually no more than £20.00 may be incurred for entry charges. Rather than use your child's pocket money for this, it would be useful if the cost of such a trip could be added to the bill.

Sometimes Full Boarders are invited out with friends' families or to stay overnight particularly at weekends. We ask parents to contact Houseparents to seek permission for this to happen and the House will then liaise with the 'hosts'. For further details regarding students leaving the site please see the appropriate Section of the Day & Residential Boarding Handbook.

Houseparent/s will continue to encourage the Residential Boarders to telephone, email and write to you with information, but we feel these arrangements will benefit everyone and ensure that your child will be able to make the most of the opportunities they are given. If you are agreeable to these arrangements please complete the appropriate forms and return them to the Houseparent/s.
