Notes:

1. The address on the form must be your child's permanent place of residence. It should not be a business, relative or carer/childminder's address. We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child.
2. Please read in conjunction with the admissions policy for the relevant year of entry which is published on the school's website www.gordons.school
3. We welcome applications for Residential Boarding places with a strong 'need to board'. Parents who are applying for a boarding place are asked to give additional information in Section 3, or by a covering letter, saying why there is a need for their child to board. Please refer to the relevant section of the Admissions Policy for guidance.
4. In accordance with the EU General Data Protection Regulation (GDPR) the data in this form will be processed for the purposes of processing your application to join the school and the school will therefore have a "legitimate interest" for processing basic personal data and sensitive personal data. The data the school holds will be the minimum it requires to process your application. The retention period for this data will one year from date of entry applied for.
